Reminiscences And Recollections Of Huey P Long:

Reminiscences and Recollections of Huey P. Long Calvit L. Walker, 1996-01 Kingfish Richard D. White, Jr., 2009-03-25

From the moment he took office as governor in 1928 to the day an assassin's bullet cut him down in 1935 Huey Long wielded all but dictatorial control over the state of Louisiana. A man of shameless ambition and ruthless vindictiveness, Long orchestrated elections, hired and fired thousands at will, and deployed the state militia as his personal police force. And yet paradoxically, as governor and later as senator, Long did more good for the state's poor and uneducated than any politician before or since. Outrageous demagogue or charismatic visionary? In this powerful biography, Richard D. White Jr. brings Huey Long to life in all his blazing controversial glory. White taps invaluable new source material to present a fresh, vivid portrait of both the man and the Depression era that catapulted him to fame. From his boyhood in dirt-poor Winn Parish, Long knew he was destined for power; the problem was how to get it fast enough to satisfy his insatiable appetite. With cunning and crudity unheard of in Louisiana politics, Long crushed his opponents in the 1928 gubernatorial race, then immediately set about tightening his iron grip. The press attacked him viciously; the oil companies howled for his blood after he pushed through a controversial oil processing tax, but Long had the adulation of the people. In 1930, the Kingfish got himself elected senator, and then there was no stopping him. White's account of Long's heyday unfolds with the mesmerizing intensity of a movie. Pegged by President Roosevelt as one of the two most dangerous men in the country, Long organized a radical movement to redistribute money through his Share Our Wealth Society and his gospel of pensions for all, a shorter workweek, and free college spread like wildfire. The Louisiana poor already worshiped him for building thousands of miles of roads and funding schools, hospitals, and universities; his outrageous antics on the Senate floor gained him a growing national base. By 1935, despite a barrage of corruption investigations, Huey Long announced that he was running for president. In the end, Long was a tragic hero, a power addict who squandered his genius and came close to destroying the very foundation of democratic rule. *Kingfish* is a balanced, lucid, and absolutely spellbinding portrait of the life and times of the most incendiary figure in the history of American politics.

The Cumulative Book Index, 1997 A world list of books in the English language **Huey Long** Thomas Harry Williams, 1970 *Voices of the Army of the Potomac* Vincent L. Burns, 2021-10-29 Finalist 2021 Army Historical Foundation Distinguished Writing Awards

As historian David W. Bright noted in *Race and Reunion: The Civil War in American Memory*, "No other historical experience in America has given rise to such a massive collection of personal narrative literature written by ordinary people. This massive collection of memoirs, recollections, and regimental histories make up the history of the Civil War seen through the eyes of the participants. This work is an overview of what Civil War soldiers and veterans wrote about their experiences. It focusses on what veterans remembered, what they were prepared to record, and what they wrote down in the years after the end of the war. In an age of increased literacy, many of these men had been educated, whether at West Point, Harvard, or other establishments, but even those who had received only a few years of

education chose to record their memories The writings of these veterans convey their views on the cataclysmic events they had witnessed but also their memories of everyday events during the war While many of them undertook detailed research of battles and campaigns before writing their accounts it is clear that a number were less concerned with whether their words aligned with the historical record than whether they recorded what they believed to be true This book explores these themes and also the connection between veterans writing their personal war history and the issue of veterans pensions

Understanding what these veterans chose to record and why is important to achieving a deeper understanding of the experience of these men who were caught up in this central moment in American life

Louisiana, a Narrative History

Edwin Adams Davis,1971 **The Recollections of R. Taylor Cole, Educator, Emissary, Development Planner** Taylor Cole,1983 **AB Bookman's Yearbook** ,1957 **The Story of Louisiana** ,1960 The Story of Louisiana Edwin Adams Davis,1960 **The Western Confederacy's Final Gamble** James Lee McDonough,2013-10-01 After Major General William Tecumseh Sherman's forces ravaged Atlanta in 1864 Ulysses S Grant urged him to complete the primary mission Grant had given him to destroy the Confederate Army in Georgia Attempting to draw the Union army north General John Bell Hood's Confederate forces focused their attacks on Sherman's supply line the railroad from Chattanooga and then moved across north Alabama and into Tennessee As Sherman initially followed Hood's men to protect the railroad Hood hoped to lure the Union forces out of the lower South and perhaps more important to recapture the long occupied city of Nashville Though Hood managed to cut communication between Sherman and George H Thomas's Union forces by placing his troops across the railroads south of the city Hood's men were spread over a wide area and much of the Confederate cavalry was in Murfreesboro Hood's army was ultimately routed Union forces pursued the Confederate troops for ten days until they recrossed the Tennessee River The decimated Army of Tennessee now numbering only about 15 000 retreated into northern Alabama and eventually Mississippi Hood requested to be relieved of his command Less than four months later the war was over Written in a lively and engaging style The Western Confederacy's Final Gamble presents new interpretations of the critical issues of the battle James Lee McDonough sheds light on how the Union army stole past the Confederate forces at Spring Hill and their subsequent clash which left six Confederate generals dead He offers insightful analysis of John Bell Hood's overconfidence in his position and of the leadership and decision making skills of principal players such as Sherman George Henry Thomas John M Schofield Hood and others McDonough's subjects both common soldiers and officers present their unforgettable stories in their own words Unlike most earlier studies of the battle of Nashville McDonough's account examines the contributions of black Union regiments and gives a detailed account of the battle itself as well as its place in the overall military campaign Filled with new information from important primary sources and fresh insights Nashville will become the definitive treatment of a crucial battleground of the Civil War
