Reminiscences of a Pioneer (Classic Reprint)

William Thompson,2015-07-28 Excerpt from Reminiscences of a Pioneer It is with this end in view to preserve the life of the old days in its many colors that these recollections are penned There was more to this life than has been touched by the parlor romancers or makers of moving picture films Perhaps some day these memories may serve to illumine the historian delving in the human records of the past And perhaps also and this is the author s dearest wish they may inspire young readers to hold to the hardy traditions of the fifties and to keep this spirit alive in a country destined soon to be densely peopled with newcomers from the long settled parts of the world About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
