**Daniel M. Gross**

## **Renaissance Concepts Of Man And Other Essays By Kristeller Paul Oskar:**

**Renaissance Concepts of Man, and Other Essays** Paul Oskar Kristeller, 1972      **The Human and the Humane** Christian Høgel, 2015-07-15 In times of conflicts and crises an argument insisting on the humane is commonly heard In wars voices demanding a humane treatment of prisoners as decreed by the Geneva Convention will be raised Opposition to social injustice may be framed in a collected call for a humane society Even educational systems may insist on having a humane perspective among its leading causes Words referring to man humane but also humanistic humanitarian even humanity thus take on status of ideals for mankind Man in common and legal speech thus becomes the conceptual marker of his own perfection The subject of this book is the early history of this linguistic feature and in particular its argumentative use from its starting point till early modern times      **Thomas Aquinas on Human Nature** Robert Pasnau, 2002 A major new study of Aquinas and his central project the understanding of human nature      **Montaigne and the Lives of the Philosophers** Alison Calhoun, 2014-12-18 In his Essais Montaigne stresses that his theoretical interest in philosophy goes hand in hand with its practicality In fact he makes it clear that there is little reason to live our lives according to doctrine without proof that others have successfully done so Understanding Montaigne s philosophical thought therefore means not only studying the philosophies of the great thinkers but also the characters and ways of life of the philosophers themselves The focus of Montaigne and the Lives of the Philosophers Life Writing and Transversality in the Essais is how Montaigne assembled the lives of the philosophers on the pages of his Essais in order to grapple with two fundamental aims of his project first to transform the teaching of moral philosophy and next to experiment with a transverse construction of his self Both of these objectives grew out of a dialogue with the structure and content in the life writing of Plutarch and Diogenes Laertius authors whose books were bestsellers during the essayist s lifetime      Sailing from Byzantium Colin Wells, 2008-12-10 A gripping intellectual adventure story Sailing from Byzantium sweeps you from the deserts of Arabia to the dark forests of northern Russia from the colorful towns of Renaissance Italy to the final moments of a millennial city under siege Byzantium the successor of Greece and Rome this magnificent empire bridged the ancient and modern worlds for more than a thousand years Without Byzantium the works of Homer and Herodotus Plato and Aristotle Sophocles and Aeschylus would never have survived Yet very few of us have any idea of the enormous debt we owe them The story of Byzantium is a real life adventure of electrifying ideas high drama colorful characters and inspiring feats of daring In Sailing from Byzantium Colin Wells tells of the missionaries mystics philosophers and artists who against great odds and often at peril of their own lives spread Greek ideas to the Italians the Arabs and the Slavs Their heroic efforts inspired the Renaissance the golden age of Islamic learning and Russian Orthodox Christianity which came complete with a new alphabet architecture and one of the world s greatest artistic traditions The story s central reference point is an arcane squabble called the Hesychast controversy that pitted humanist scholars led by the brilliant acerbic intellectual Barlaam against the powerful monks of Mount Athos led by the

stern Gregory Palamas who denounced pagan rationalism in favor of Christian mysticism Within a few decades the light of Byzantium would be extinguished forever by the invading Turks but not before the humanists found a safe haven for Greek literature The controversy of rationalism versus faith would continue to be argued by some of history's greatest minds Fast paced compulsively readable and filled with fascinating insights Sailing from Byzantium is one of the great historical dramas the gripping story of how the flame of civilization was saved and passed on

**Being-Moved** Daniel M. Gross, 2020-03-03 If rhetoric is the art of speaking who is listening In Being Moved Daniel M Gross provides an answer showing when and where the art of speaking parted ways with the art of listening and what happens when they intersect once again Much in the history of rhetoric must be rethought along the way And much of this rethinking pivots around Martin Heidegger's early lectures on Aristotle's Rhetoric where his famous topic Being gives way to being moved The results Gross goes on to show are profound Listening to the gods listening to the world around us and even listening to one another in the classroom all of these experiences become different when rhetoric is reoriented from the voice to the ear

**The In-Between World of Vikram Lall** M.G. Vassanji, 2009-02-24 Giller Prize winner M G Vassanji's The In Between World of Vikram Lall is a haunting novel of corruption and regret that brings to life the complexity and turbulence of Kenyan society in the last five decades Rich in sensuous detail and historical insight this is a powerful story of passionate betrayals and political violence racial tension and the strictures of tradition told in elegant assured prose The novel begins in 1953 with eight year old Vikram Lall a witness to the celebrations around the coronation of Queen Elizabeth II just as the Mau Mau guerilla war for independence from Britain begins to gain strength In a land torn apart by idealism doubt political upheaval and terrible acts of violence Vic and his sister Deepa must find their place among a new generation Neither colonists nor African neither white nor black the Indian brother and sister find themselves somewhere in between in their band of playmates Bill and Annie British children and Njoroge an African boy These are the relationships that will shape the rest of their lives We follow Vikram through the changes in East African society the immense promise of the fifties and sixties But when that hope is betrayed by the corruption and violence of the following decades Vic is drawn into the Kenyatta government's orbit of graft and power broking Njoroge his childhood friend can abandon neither the idealism of his youth nor his love for Vic's sister Deepa But neither the idealism of the one nor the passive cynicism of the other can avert the tragedies that await them The In Between World of Vikram Lall is a profound and careful examination of one man's search for his place in the world with themes that have run through Vassanji's work the nature of community in a volatile society the relations between colony and colonizer and the inescapable presence of the past It is also finally a deeply personal book speaking to the people who are in the in between

**The Enchantress of Florence** Salman Rushdie, 2009-02-24 A tall yellow haired young European traveller calling himself Mogor dell Amore the Mughal of Love arrives at the court of the real Grand Mughal the Emperor Akbar with a tale to tell that begins to obsess the whole imperial capital The stranger claims to be the child of a lost Mughal princess the

youngest sister of Akbar's grandfather Babar Qara K z Lady Black Eyes a great beauty believed to possess powers of enchantment and sorcery who is taken captive first by an Uzbek warlord then by the Shah of Persia and finally becomes the lover of a certain Argalia a Florentine soldier of fortune commander of the armies of the Ottoman Sultan When Argalia returns home with his Mughal mistress the city is mesmerised by her presence and much trouble ensues The Enchantress of Florence is a love story and a mystery the story of a woman attempting to command her own destiny in a man's world It brings together two cities that barely know each other the hedonistic Mughal capital in which the brilliant emperor wrestles daily with questions of belief desire and the treachery of sons and the equally sensual Florentine world of powerful courtesans humanist philosophy and inhuman torture where Argalia's boyhood friend il Machia Niccol Machiavelli is learning the hard way about the true brutality of power These two worlds so far apart turn out to be uncannily alike and the enchantments of women hold sway over them both But is Mogor's story true And if so then what happened to the lost princess And if he's a liar must he die

*Persons* Antonia LoLordo, 2019-08-06 What is a person Why do we count certain beings as persons and others not How is the concept of a person distinct from the concept of a human being or from the concept of the self When and why did the concept of a person come into existence What is the relationship between moral personhood and metaphysical personhood How has their relationship changed over the last two millennia This volume presents a genealogy of the concept of a person It demonstrates how personhood like the other central concepts of philosophy law and everyday life has gained its significance not through definition but through the accretion of layers of meaning over centuries We can only fully understand the concept by knowing its history Essays show further how the concept of a person has five main strands persons are particulars roles entities with special moral significance rational beings and selves Thus to count someone or something as a person is simultaneously to describe it as a particular a role a rational being and a self and to prescribe certain norms concerning how it may act and how others may act towards it A group of distinguished thinkers and philosophers here untangle these and other insights about personhood asking us to reconsider our most fundamental assumptions of the self

The Science of Pleasure Harvie Ferguson, 2005-09-29 In this rich and original work the author argues that science is the highest expression of bourgeois thought and whilst it may have liberated mankind it has also devised new forms of repression discipline and control

Human Dignity Aharon Barak, 2015-01-29 An analytical study of human dignity as the humanity of a person as a constitutional value and a constitutional right

**The Concept of Woman** Prudence Allen, 2024-06-20 A comprehensive account of the concept of woman in Western thought from ancient Greece through the Middle Ages to today In her sweeping three volume study Sister Prudence Allen examined how women and men have been defined in relation to one another scientifically philosophically and theologically Now synthesized for students The Concept of Woman is the ideal textbook for classes on gender in Catholic thought Allen surveys Greek philosophers medieval saints and modern thinkers to trace the development of integral gender

complementarity This doctrine a living idea according to the criteria of John Henry Newman affirms the equal dignity of men and women and the synergetic relationship between them Allen pays special attention to John Paul II s contributions to this holistic idea of gender Readers will gain valuable context for current debates over womanhood and come to a greater appreciation of human personhood      **Machiavelli in Love** Haig Patapan,2007-11-01 Haig Patapan argues that at the heart of modernity is a new view of love that accounts for important aspects of modern politics and philosophy including its conception of power constitutionalism and beauty By examining Machiavelli s epistolary poetical and political works Machiavelli in Love reveals his understanding of love and its theoretical foundations for a modern politics founded on fear

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1975      **A Hidden Wisdom** Christina van Dyke,2022 Christina Van Dyke brings to light a rich and neglected philosophical tradition the writings of mystical and contemplative thinkers mainly women from the 13th to the 15th century She show us how much we can learn today from their ideas on self knowledge reason and its limits love persons and immortality and the afterlife      **Humanistica Lovaniensia** Gilbert Tournoy,Dirk Sacré,Monique Mund-Dopchie,Jan Papy,2009-06-15 As well as presenting articles on Neo Latin topics the annual journal Humanistica Lovaniensia is a major source for critical editions of Neo Latin texts with translations and commentaries Please visit [www.lup.be](http://www.lup.be) for the full table of contents      Encyclopedia of Historians and Historical Writing Kelly Boyd,2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies      **The Judgment of Sense** David Summers,1990-02-23 With the rise of naturalism in the art of the late Middle Ages and the Renaissance there developed an extensive and diverse literature about art which helped to explain justify and shape its new aims In this book David Summers provides an investigation of the philosophical and psychological notions invoked in this new theory and criticism From a thorough examination of the sources he shows how the medieval language of mental discourse derived from an understanding of classical thought      Contesting the Renaissance William Caferro,2010-08-24 In this book William Caferro asks if the Renaissance was really a period of progress reason the emergence of the individual and the beginning of modernity An influential investigation into the nature of the European Renaissance Summarizes scholarly debates about the nature of the Renaissance Engages with specific controversies concerning gender identity economics the emergence of the modern state and reason and faith Takes a

balanced approach to the many different problems and perspectives that characterize Renaissance studies     Pieter Bruegel and the Idea of Human Nature Elizabeth Alice Honig, 2022-11-28 A fresh account of the life ideas and art of the beloved Northern Renaissance master In sixteenth century Northern Europe during a time of increasing religious and political conflict Flemish painter Pieter Bruegel explored how people perceived human nature Bruegel turned his critical eye and peerless paintbrush to mankind's labors and pleasures its foibles and rituals of daily life portraying landscapes peasant life and biblical scenes in startling detail Much like the great humanist scholar Erasmus of Rotterdam Bruegel questioned how well we really know ourselves and also how we know or visually read others His work often represented mankind's ignorance and insignificance emphasizing the futility of ambition and the absurdity of pride This superbly illustrated volume examines how Bruegel's art and ideas enabled people to ponder what it meant to be human Published to coincide with the four hundred fiftieth anniversary of Bruegel's death it will appeal to all those interested in art and philosophy the Renaissance and Flemish painting

Thank you enormously much for downloading **Renaissance Concepts Of Man And Other Essays By Kristeller Paul Oskar**. Maybe you have knowledge that, people have seen numerous times for their favorite books past this Renaissance Concepts Of Man And Other Essays By Kristeller Paul Oskar, but end up happening in harmful downloads.
