

A romantic couple is shown in a close embrace, nearly kissing. The man, with short brown hair, is wearing a light-colored button-down shirt and trousers. The woman, with long brown hair, is wearing a white blouse and light-colored trousers. They are standing in a grassy field under a soft, hazy sky. A dark blue banner with white text is overlaid on the lower half of the image.

Notre-Dame de Paris Victor Hugo,2023-07-15 Esmeralda is a breathtaking beauty and attracts the attention of men all around her including an actor a captain and an archdeacon to whom she is of course forbidden But because of a kindness she paid to him there is one whose love for her is pure the archdeacon s bellringer The actions of the archdeacon who cannot control his lust for the young woman ultimately draws all four men into her orbit and his with tragic consequences Hugo s tragic novel is an ode to gothic architecture in general and that of Notre Dame de Paris in particular Hugo was upset both at the neglect of buildings like Notre Dame and the modernization of those that weren t being neglected By centering on the building he was able to bring all classes into his story from kings and nobles to bellringers and sewer rats The first American translation changed the title to The Hunchback of Notre Dame shifting attention to the bellringer but Hugo s focus was always on Notre Dame and the beautiful gothic architecture of Paris
