Ritual Sins:

Ritual Sins Anne Stuart, 2020-04-25 Rachel Connery has come to the Foundation of Being to find the truth about her mother's death what has happened to all her money and what secrets lie behind the smiling placid members of what Rachel considers a cult Luke Bardell is as bad as a man can be a liar swindler convicted murderer and cult leader So why is she so attracted to him There's evil at the Foundation but Rachel can't tell where it's coming from the holier than thou members or Luke Bardell himself Luke is involved in something very wrong but is he the real source of evil And is she a total fool to believe that he's someone worth loving *Ritual Sins* Anne Kristine Stuart, 1997 Investigating the cult she believes robbed her of her inheritance Rachel comes under the spell of its charismatic leader

Impurity and Sin in Ancient Judaism Jonathan Klawans, 2004 Jonathan Klawans shows how the link between moral impurity and physical defilement as understood by the ancient Hebrews can be followed through to St Paul and the Christian era when the need for ritual purity was finally rejected *The Sacrifice of Christ Scripturally and Rationally Interpreted ... Second Edition, Fourth Thousand, Corrected and Enlarged* Edward HIGGINSON, 1848

Contemporary Creed John Morris, 2012-05-16 Unlike Richard Dawkins the Revised Edition Contemporary Creed sees no conflict between evolution and God faith and modern science But what sort of God creates a violent universe with a Big Bang almost 14 billion years ago and appears to do little or nothing to prevent built in suffering and natural disasters like earthquakes famines disabled children and cancers The Christian God leaves a lot unexplained Some writers give superficial answers whereas Morris who helps care for his own handicapped grandson gets to the root of difficulties and succeeds in finding credible pathways through sixty problems of Christian beliefs and ethics He writes for believers and unbelievers for Christians like himself who admit their doubts and for atheists and agnostics interested in life's big questions His unusual format of 90% prose and 10% original poetry is entertaining and the style straightforward everyday language offering conclusions that are often open ended undogmatic His systematic theology becomes a brief A-Z that may be read in any order for individual Bible study or by house groups that want a provocative structure for lively discussion

Houses of the Holy Robert M. Price, 2025-02-25 In a shrinking world in which religion has become as much a motivation for war and terror as an inspiration for saintliness and benevolence it is more important than ever that we understand faiths other than our own Where did they come from How did they begin Were their legendary founders real historical individuals How do their beliefs shape their actions Which faiths are mutations of older ones Many otherwise helpful introductory volumes cover only the most populous religions and fearing most readers will shy away from going deeply into important detail they wind up grossly oversimplifying By contrast Robert M Price's Houses of the Holy fills in these blanks comprehensively and does so in clear straightforward language without cheating the necessary complexity Here you will find fascinating coverage of a full dozen religious faiths including several you have likely never even heard of
