**Children of Abraham** F. E. Peters, 2018-05-22 F E Peters a scholar without peer in the comparative study of Judaism Christianity and Islam revisits his pioneering work Peters has rethought and thoroughly rewritten his classic *The Children of Abraham* for a new generation of readers at a time when the understanding of these three religious traditions has taken on a new and critical urgency He began writing about all three faiths in the 1970s long before it was fashionable to treat Islam in the context of Judaism and Christianity or to align all three for a family portrait In this updated edition he lays out the similarities and differences of the three religious siblings with great clarity and succinctness and with that same remarkable objectivity that is the hallmark of all the author's work Peters traces the three faiths from the sixth century B C when the Jews returned to Palestine from exile in Babylonia to the time in the Middle Ages when they approached their present form He points out that all three faith groups whom the Muslims themselves refer to as People of the Book share much common ground Most notably each embraces the practice of worshipping a God who intervenes in history on behalf of His people The book's text is direct and accessible with thorough and nuanced discussions of each of the three religions Footnotes provide the reader with expert guidance into the highly complex issues that lie between every line of this stunning edition of *The Children of Abraham* Complete with a new preface by the author this Princeton Classics edition presents this landmark study to a new generation of readers **Justin Martyr and the Jews** Dāwīd Rôqēāḥ, 2002 Justin Martyr a second century Gentile
