was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other So, What'll You Have, Do or Be, Hon? Gruenler,2015-05-12 The approaches of contemporary New Testament scholarship to Jesus and the Gospels have been in Royce Gordon Gruenler's view inadequate Instead he offers some imaginative and well articulated reflections on several new and promising approaches These have meant a great deal to me over the past few years he writes since in fact I had a change of personal commitment from a former liberalism which had run dry to the rediscovery of the vitality of my earlier evangelical heritage This change was precipitated by the investigation of the data that this provocative volume details Gruenler employs a phenomenology of persons borrowed from Wittgenstein to highlight the fundamental claims of Jesus Though limiting himself to the core of sayings accepted by radical critics as authentic the author concludes that Jesus' concept of himself is so incredible on any human level that it becomes academic to insist on separating his implicit from his explicit christological claims The use of redaction criticism to distinguish the two therefore is misguided Marshaled in support are Lewis who urges attentiveness and obedience to the story Ramsey who points to the logically odd supernaturalism of the Gospels Polanyi the tacit dimension of trust Marcel Jesus creative fidelity Tolkien the spell of the story and Van Til the importance of presuppositions in Gospel research *New York Magazine* ,1986-10-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Library Journal** ,2004 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Truth and Wonder** Robert Eaglestone,2021-11-22 Truth
