more than two thousand kilometres of Queensland's Coral Sea coast At once a journey into the far north of Australia and into the furthest depths of the human mind A tale of Cape York's past and a new chapter in the exploration of its present A dream narrative maybe a case study perhaps literary art yes absolutely in its purest and most ambitious form Nicholas Rothwell

American Book Publishing Record, 2002 **Rough Guide Australië** Margo Daly, 2016-01-08 ONTDEK elk deel van Australië en maak daarbij gebruik van de heldere plattegronden en kaartjes BEPAAL wat je wilt zien en laat je daarbij inspireren door de mooie fotos LEES de deskundige achtergrondinformatie van de rotskunst van de Aboriginals tot het duiken bij het Great Barrier Reef VERTROUW op onze selectie van de beste plekken om te overnachten en te eten **Brave** Mark Whittaker, 2011-08-01 Would you squeeze your way into a shoulder width pitch dark stormwater drain to rescue a kid as it flooded Would you knowingly cop a 20 000 volt electric shock to save a friend and his child Would you swim out from the beach to rescue a man bitten by a five metre white pointer while the shark is still circling him Would you run into the carnage of a burning Bali nightclub to save people when anyone who can still walk is running the other way These are decisions made in a split second by ordinary people placed in extraordinary circumstances Yet those decisions can and usually do have an impact that lasts a lifetime So what happens to these ordinary heroes once the newspaper headlines have disappeared and the medal award ceremony is a distant memory Mark Whittaker Walkley Award winning journalist and author has written a unique account that follows men and women in amazing acts of bravery and then the long aftermath as they deal with an array of issues from guilt to post traumatic stress that were the furthest things from their minds when they made that split second decision to risk their own life for someone else *Brave* is in every sense of the word extraordinary both in its approach the people it describes and honours and in the effect it has on the reader It is compelling complex heart breaking and uplifting **Bomber** Mark Whittaker, Tony Bower-Miles, 2009-10-01 Tony Bomber Bower Miles was a young sapper in the Australian Army when he first went to Vietnam in the late 1960s Land mines were one of the biggest threats faced by troops on both sides and much of Bomber's work involved laying or clearing these terrible devices He saw mates and colleagues killed and horribly injured around him in a war that was confusing terrifying and devastating to everyone that it touched He returned to Australia scarred battered and unable to relate to a peacetime world Alcohol became his way of escaping and his life spiralled down into addiction and violence He could easily have been lost another vet unable to cope another grim statistic put down to the tragedy of Vietnam But Bomber wasn't ready to let the war beat him after all these years In 2001 he returned to South East Asia putting his old skills to work in the dangerous job of clearing the millions of forgotten land mines that litter Cambodia Starting from scratch with makeshift equipment Bomber established the Vietnam Veterans Mine Clearing Team an NGO with a difference as those who fought now help others still suffering the consequences of the conflict Bomber is his story Tough and uncompromising it reveals the true face of war in all its brutality But it also tells of redemption and humanity a tale of real Australian heroism Sins of the Brother Les Kennedy, Mark

Whittaker,2007-11-10 Like the Beaumont children and the Azaria Chamberlain cases before it the backpacker murder case in Belanglo State Forest has entered Australian criminal folklore Seven young people most of them foreigners backpacking around Australia brutally murdered their remains uncovered in 1992 and 1993 It would take scores of police over three years countless hours of forensic investigation thousands of false leads and a few precious clues to charge and convict Ivan Milat for their horrific deaths *Sins of the Brother* is the definitive work on Ivan Milat his family and the murders Almost four years in the making informed by exclusive interviews with members of the Milat family key police investigators and Crown lawyers this book reveals a family culture so bizarre it would lead inexorably to murder It also scrutinises the police investigation its remarkable success and failures the dramatic turning point and the backbiting and bitterness that followed Milat's arrest Thought provoking totally unsalacious an exploration of the darker side of Australian life as a whole *Sins of the Brother* is a detailed and gripping read a psychological thriller come to life

Bomber Tony Bower-Miles,Mark Whittaker,2011 Tony Bomber Bower Miles was a young sapper in the Australian Army when he first went to Vietnam in 1969 Landmines were one of the biggest threats faced by troops on both sides and Bomber's work involved the dangerous task of clearing them He saw mates killed and horribly injured leaving him with a deep rooted hatred of these deadly weapons He returned to Australia scarred and unable to relate to a peacetime world Alcohol became his way of escaping and his life spiralled down into addiction and violence But Bomber wasn't ready to let the war beat him In 2001 he returned to South East Asia putting his old skills to work in clearing the millions of forgotten land mines that litter Cambodia Starting from scratch Bomber established the Vietnam Veterans Mine Clearing Team an NGO with a difference as those who fought now help others still suffering the consequences of the conflict Bomber is his story Tough and uncompromising it reveals the brutal face of war but also tells of redemption and humanity in the most challenging of circumstances
