Road To Adelphi:

Road to Adelphi Donna Harris, 2002 The Wolfe family had a penchant for tragedy They tried to live about the fray and the evil devices of those that surrounded them but in so doing they found their lives so bugged down in the very mush they tried so hard to avoid Those that were supposed to protect and guide them were the ones scheming and undermining their efforts Thus they were forced to view the world from an angle of distrust dismay and disgust On the other hand a message of hope and triumph is also conveyed in this grueling tale of woe madness and corruption It is however consoling to know that good always triumphs over evil Webster's Royal red book; or, Court and fashionable register Webster A. and co, 1847
