Long Slow Burn Sexing Up The Social Sciences

Amy K. Levin

Long Slow Burn Sexing Up The Social Sciences:

Long Slow Burn Kath Weston, 2013-09-13 Kath Weston's powerful collection of essays *Long Slow Burn* challenges the preconception that queer studies is the brainchild of the humanities and argues that social science has been talking about sex all along To deny this one would have to overlook Kinsey's pioneering sex research in the 1950s or the psychiatrist Evelyn Hooker's pathbreaking study of homosexuality but also in the sex talk that lies at the heart of classic debates on kinship inequality cognition and other foundational topics in the social sciences What is different now Weston claims is the way sexuality has been isolated from other contemporary issues Not content with its ghettoization as a contained subfield Weston refuses to draw an artificial line around sexuality

Gender in Real Time Kath Weston, 2018-10-24 After decades of innovative scholarship that galvanized a field and shattered a world of preconceptions the study of gender now appears to languish It has been a long while since the publication of a provocative and influential text like Judith Butler's *Gender Trouble* Kath Weston argues that the problem is one of time For too long gender studies has been preoccupied with the visual with ample attention given to issues of performativity and embodiment all at the expense of time *Gender in Real Time* makes a provocative and important new argument that will revolutionize the field of gender studies Introducing temporality into the equation and examining the ways gender exists Weston uses the tools of political economy the history of mathematics Darwinian evolution and a bit of physics to propel gender studies toward the future Startling new concepts like zero gender and the meaning of time claims are introduced Moreover the impact of our time sensitive society with its ever increasing need for speed and accelerated development is explored for its effect on the production of gender With chapter titles including *Unsexed The Ghosts of Gender Past and The Global Economy Next Time* this book offers a pioneering addition to the field that will forever change our notion of gender

Forthcoming Books Rose Arny, 1998-04

Lesbians in Television and Text after the Millennium R. Beirne, 2008-09-15 Taking up such issues as mainstreaming the male gaze and female masculinity this book puts forward provocative readings of little explored texts and offers new insights into the contemporary representation of lesbians

Children, Sexuality and Sexualization Jessica Ringrose, 2016-04-29 This volume presents a ground breaking collection of interdisciplinary chapters from international scholars which complicate and offers new ways to make sense of children's sexual cultures across complex political social and cultural terrains

[Internet Inquiry](#) Annette N. Markham, Nancy K. Baym, 2008-07-17 This collection of dialogues is the only textbook of its kind *Internet Inquiry Conversations About Method* takes students into the minds of top internet researchers as they discuss how they have worked through critical challenges as they research online social environments Editors Annette N Markham and Nancy K Baym illustrate that good research choices are not random but are deliberate studied and internally consistent Rather than providing single how to answers this book presents distinctive and divergent viewpoints on how to think about and conduct qualitative internet studies Key Features and Benefits Presents each chapter in the form of a question in order to provoke

explicit consideration of key issues Illustrates choices made within larger disciplinary contexts to help students blend approaches think broadly and conduct internet research with the benefit of multiplicity Offers a range of perspectives in each chapter to vividly demonstrate that there are many ways to answer methodological challenges well Includes contributors from multiple disciplines and across the globe Provides a highly reflexive writing style that allows readers to see processes that are rarely visible in finished research reports Intended Audience This edited volume is an excellent supplementary text for a variety of advanced undergraduate and graduate courses such as Internet Research Research Methods Qualitative Research Methods and Computer Mediated Communication in the departments of communication media studies sociology and anthropology It will assist new scholars as well as seasoned practitioners in this arena make informed choices in how they conduct inquiry

Performing Masculinity Geir Presterudstuen, 2020-06-11 Geir Henning Presterudstuen provides an ethnographic account of how men in the multicultural urban centres of Fiji perceive construct and perform masculinities in the context of rapid social change Theoretically informed by critical feminist theories postcolonialism R W Connell's work on masculinities and a Bourdieuan conceptualization of the body this book explores how notions of masculinity manhood and the male body are shaped by the conflicting social forces of Fijian tradition modernity commercialization and urbanization The book provides a timely intervention from the grassroots level in the global south into an ongoing discourse about men and masculinities that has long been dominated by voices from Europe and the US Combining classic ethnography with innovative social analysis Presterudstuen's book is suitable for students and academics with an interest in gender and social change and for scholars across a variety of disciplines including anthropology gender studies sociology pacific studies and international development

Unsettling Queer Anthropology Margot Weiss, 2024-04-12 This field defining volume of queer anthropology foregrounds both the brilliance of anthropological approaches to queer and trans life and the ways queer critique can reorient and transform anthropology

Queer Indigenous Studies Qwo-Li Driskill, 2011-03-15 This book is an imagining So begins this collection examining critical Indigenous centered approaches to understanding gay lesbian bisexual transgender queer and Two Spirit GLBTQ2 lives and communities and the creative implications of queer theory in Native studies This book is not so much a manifesto as it is a dialogue a writing in conversation among a luminous group of scholar activists revisiting the history of gay and lesbian studies in Indigenous communities while forging a path for Indigenous centered theories and methodologies The bold opening to *Queer Indigenous Studies* invites new dialogues in Native American and Indigenous studies about the directions and implications of queer Indigenous studies The collection notably engages Indigenous GLBTQ2 movements as alliances that also call for allies beyond their bounds which the co editors and contributors model by crossing their varied identities including Native trans straight non Native feminist Two Spirit mixed blood and queer to name just a few Rooted in the Indigenous Americas and the Pacific and drawing on disciplines ranging from literature to anthropology contributors to *Queer Indigenous Studies* call Indigenous GLBTQ2

movements and allies to center an analysis that critiques the relationship between colonialism and heteropatriarchy By answering critical turns in Indigenous scholarship that center Indigenous epistemologies and methodologies contributors join in reshaping Native studies queer studies transgender studies and Indigenous feminisms Based on the reality that queer Indigenous people experience multilayered oppression that profoundly impacts our safety health and survival this book is at once an imagining and an invitation to the reader to join in the discussion of decolonizing queer Indigenous research and theory and by doing so to partake in allied resistance working toward positive change Lesbian Motherhood Róisín

Ryan-Flood,2009-05-27 This book studies the growing number of lesbian women embarking on parenthood after coming out Theoretical debates about lesbian motherhood often consider its assimilative or transgressive dimensions This book offers a different approach contextualising lesbian motherhood in relation to sexual citizenship and hegemonic discourses of kinship

Queering Motherhood: Narrative and Theoretical Perspectives Margaret F Gibson,2014-08-01 Few words are as steeped in beliefs about gender sexuality and social desirability as motherhood Drawing on queer postcolonial and feminist theory historical sources personal narratives film studies and original empirical research the authors in this book offer queer re tellings and reexaminations of reproduction family politics and community The list of contributors includes emerging writers as well as established scholars and activists such as Gary Kinsman Damien Riggs Christa Craven Cary Costello Elizabeth Peel and Rachel Epstein *Gender, Sexuality and Museums* Amy K. Levin,2010-09-13 *Gender Sexuality and Museums* provides the only repository of key articles new essays and case studies for the important area of gender and sexuality in museums It is the first reader to focus on LGBT issues and museums and the first reader in nearly 15 years to collect articles which focus on women and museums At last students of museum studies women s studies LGBT studies and museum professionals have a single resource The book is organised into three thematic parts each with its own introduction Sections focus on women in museum work applications of feminist and LGBT theories to museum exhibitions exhibitions and collections pertaining to women and individuals who are LGBT The Case studies in a fourth part provide different perspectives to key topics such as memorials and memorializing modernism and museums and natural history collections The collection concludes with a bibliographic essay evaluating scholarship to date on gender and sexuality in museums Amy K Levin brings together outstanding articles published in the past as well as new essays The collection s scope is international with articles about US Canadian and European institutions *Gender Sexuality and Museums A Routledge Reader* is an essential resource for those studying gender and sexuality in the museum *Queering Borders* David A.B.

Murray,2016-05-25 In recent years migration has moved to the forefront of national and global debates intensifying discussions about borders security identity and citizenship In this volume we ask how language and sexuality impact these discussions how do sexuality and language contribute toward the construction and maintenance of varying scales of borders How do sexuality and language figure in border crossings across time space embodied differences and culture The

contributors to this volume all anthropologists demonstrate how anthropological theories concepts and methods uniquely address the operations of sexuality and language in the making unmaking and remaking of these borders In this volume terminology discourse language choice and other forms of linguistic practice are at the forefront of research on transnational queer im migrant populations allowing us to better understand how language shapes and is shaped by queer peoples movements across borders Originally published in Journal of Language and Sexuality Vol 3 1 2014 **The British National Bibliography** Arthur James Wells,1998 Differences ,2001 **Sociology** Linda L.
