where you have never been Some of these stories are true Others are factually true although bit embellished Others are
outright fabrications Most look back to a kinder mellower time Digging for worms swimming in a pond using an outhouse or
wading in a river may bring gross evaluations from our urbanized cousins I hope that this book introduces them to life with a
smile Most of the stories have a message Many are simply humorous Entertainment is the motive Carefree is the mood Try to
find yourself within these pages May the beak of reality crack your comfort shell Start anywhere Finish anytime Enjoy
