Look What You Made God:

Look What You've Done Tasha Layton, 2023-03-21 From Dove Award nominated artist Tasha Layton *Look What You've Done* is a diverse collection of stories and intimate self reflections to encourage readers to follow where God leads them Inspired by her powerful song of the same title *Look What You've Done* delves into Tasha's journey of finding freedom in Jesus through life's twists and turns Tasha takes readers through her early days in small town South Carolina to her big breakthrough as background singer on stage with Katy Perry to the mission field in Kenya and beyond Across many countries and all her days the truest constant in Tasha's life has been the presence of God in both the highs and the lows As her inspirational stories reveal the ways God has guided her journey Tasha also shares vulnerable reflections on the struggles she's faced in her life of faith and music Readers will identify with Tasha as she describes the lies that she allowed herself to believe as she struggled with comparison self image and the uncertainty of finding her purpose Through challenges like these God continues to bring Tasha wisdom and truth regarding who He is and who she is meant to be *Look What You've Done* helps readers to Discern God's truth from the world's lies Find freedom truth security and identity in Jesus Become increasingly bold in prayer Live as a Christian in an uncertain world See God's miracles in their life Begin to embrace seasons of waiting *Look What You've Done The Lies We Believe The Truth That Sets Us Free* will inspire you to walk in boldness and love sharing the goodness of God revealed in your life **Look What You Made Me Do** Megan

Norris, 2023-08-02 One Australian woman is hospitalised every three hours and two more lose their lives each week as a result of family violence But for some women there is a punishment far more enduring than injury or their own death *Look What You Made Me Do* is a timely exploration of the evil inflicted by vengeful fathers who have killed their own flesh and blood simply to punish partners for ending unrewarding often abusive relationships Focussing on ten different but equally harrowing cases of spousal revenge dating back thirty years award winning author Megan Norris draws upon her own experience as a former court and crime reporter to examine the horrific murders of eighteen children who were the collateral damage in crimes where the real target of their angry dad's rage was their mother From the 2018 cold blooded shooting murders of Sydney teenagers Jack and Jennifer Edwards whose abusive businessman father was granted a licence to kill by the NSW Firearms Registry despite a shocking history of family violence dating back three decades to the heinous premeditated homicides of Queensland mum Hannah Clarke who succumbed to her own horrific injuries after watching her three young children burn to death at the hands of their violent father this book shows it is not only women who are at risk when family violence turns deadly Now recognised as the ultimate act of domestic violence a man could inflict on his partner Norris's award winning book shines a light on the disturbing connection between family violence and retaliatory homicide and explores the shattering legacy of grief that such crimes have on surviving mothers A book that allows these serious crimes to be better understood and ultimately informs and advocates for new approaches to managing these complex and
