Edward Gordon Craig

Looking Forward To A Career Theater:

Creativity in Theatre-Making Paul Colwell, 2025-10-01 Creativity in Theatre Making identifies and explores relationships between theatremakers The book seeks to expand opportunities for creativity and collaboration from concept to realisation It does so by reconsidering the so called technical roles as creators thereby dismantling the conventional distinction between creative and technical teams The book challenges this limited views of creativity offers an alternative model of relationships a heterarchy and uses this to underpin a range of techniques and strategies that improve the productivity well being and inclusivity of professional theatre practice Its core pedagogic principle is that understanding why is more useful than simply knowing what The book includes an overview of all the major specialist meetings and roles in theatre making as well as an in depth exploration of the key resources used to create Shows and how these can be utilised collaboratively and sustainably There is also advice on giving and receiving effective feedback during the production process and engaging with creative financial and safety risks Throughout the text the author defines the specialist terminology being used and offers real world examples Creativity in Theatre Making is for undergraduate and postgraduate students studying for a creative and or technical role in the theatre industry and related sectors as well as early and mid career theatre professionals looking to appraise or refresh their practice
