**Loose Coins** Joe L. Hensley, Guy Townsend, 2025-10-16 AL SEARS had it all Once a hot shot criminal lawyer he had a trophy wife a fortune and a respected position in local Memphis society But he also had a drinking problem one that cost him everything his career his wife his fortune and his self respect Now sober Al Sears is a licensed PI and part time clerk in Ralph's coin shop with a small apartment an old car and a chair at the Thursday night poker game in the apartment above the shop But even this peaceful existence is shattered when a shotgun wielding intruder tries to knock over the game The robber attempts to take Al hostage but Al sensing that this is more than simple theft tackles him narrowly avoiding a blast from his gun and two of the other players shot the man to death Already shaken by the experience Al learns from the responding police officers that his intuition was correct this was no simple robbery The dead man was a known hired killer one of the deadliest Al has to face the truth that someone is trying to kill him Given his past any number of people could be to blame Given the alcoholic haze in which he lived for years he may not even remember the person who's now out to get him Al must look into his own past determine who is trying to kill him and stop them before they succeed Loose Coins Guy M. Townsend, 2007-09 After losing his law practice because of alcohol Al Sears of Memphis obtains a job in a coin shop only to find himself the target of a killer Is the killer after the coins or is he a disgruntled former client Modern Coin Magic J. B. Bobo, 2012-05-24 The most complete treatise on sleight of hand coin conjuring including best traditional methods and modern innovations Guides you systematically from basic techniques through integrated tricks to complete acts 18 in all 510 clear illustrations **Insomnium** James Goldfarb, 2007-08-01 When a series of murders rock Edinburgh city Detective Andrews and his young protege Detective Reynolds struggle to make sense of the crimes The more they investigate the more cryptic the case becomes Not only does the killer seem to be meticulous in his acts but each of his victims has direct links with one man Michael Ted Mersdone Having lived his entire life with a secret he never fully understood a plot of a more serious nature is uncovered Shrouded in ancient prophecies and riddles it becomes a race against time to save Michael and his closely guarded secret **The Boy's Own Conjuring Book: Being a Complete Handbook of Parlour-magic, Etc. [With Illustrations.]** BOY., 1860 The Boy's Own Conjuring Book, 1860 **Olio** Guy M. Townsend, 2010-10 By their very nature most newspaper columns and editorials are ephemeral They are often written in haste to meet a deadline and what excites interest today may elicit only yawns tomorrow or the next day This is especially true of community newspapers whose focus is on matters of interest to a smaller parochial readership This book is a collection of pieces that step outside that mold The author's broad education four degrees including a Ph D and a J D and wide range of work experiences college professor probation officer prosecuting attorney professional magician novelist editor publisher and grocery store sackboy to name a few have provided him with a unusual perspective from which to observe and comment on the problems and pleasures of being a sentient being on Planet Earth in the twenty first century and on how we got to this point in human history Inspired

by the example and encouragement of the newspaper editor who gave him his first job in journalism the author has inflicted upon the readers of several newspapers his reflections on a broad and eclectic range of subjects from religious and racial intolerance to UFO sightings and the beauty of a toad s eye Throughout it all the author has been motivated by one unvarying purpose to make his readers think Not just about last week s school board meeting or next month s municipal elections but about ideas and issues with a shelf life longer than that of ripe tomatoes in your grocer s produce department Here then are half a hundred of those pieces rescued from dusty newspaper morgues and offered to a broader audience than the unsuspecting subscribers to whom they were originally addressed The author will be pleased if you read them but he will have failed in his purpose unless reading them makes you think      **Souvenirs** TC King,2017-11-07 Souvenirs By TC King

Short stories may not often need explanation Yet in their brevity the short stories of Souvenirs Inside Out will bring laughter remembrances and infuse an otherwise dull day with philosophy Many of these stories are small quips using author TC King s children and various individuals she has encountered of the years as the leads in various scenarios Relax sit back and read a quick story out of the pages of Souvenirs Inside Out Let your spirit make your selection from the contents and find a story to keep the doldrums at bay      **The Magician's Own Book, Or The Whole Art of Conjuring** Anonymous,2020-01-11 All the most noted tricks of modern performers Illustrated with over 500 wood cuts and intended as a source of amusement for one thousand and one evenings      *Magic* ,1908
