Re-imagining Life Together in America Catherine T. Nerney, Hal Taussig,2002 Well written and highly accessible this book interweaves a thorough review of developments in Christian community from the first century to the present with powerful new discoveries in scriptural theological and historical research that has uncovered deep communal strands in the foundational literature and notions of Christianity The result is a profound call for the renewal of Christian community and churches as crucial models and inspirations for the new search for wholeness in America

Diminished Democracy Theda Skocpol,2013-06-14 Pundits and social observers have voiced alarm each year as fewer Americans involve themselves in voluntary groups that meet regularly Thousands of nonprofit groups have been launched in recent times but most are run by professionals who lobby Congress or deliver social services to clients What will happen to U S democracy if participatory groups and social movements wither while civic involvement becomes one more occupation rather than every citizens right and duty In Diminished Democracy Theda Skocpol shows that this decline in public involvement has not always been the case in this country and how by understanding the causes of this change we might reverse it
