Lord Of Glory Crucified:

The “Eranistes” or “Polymorphus” Theodoret, Aeterna Press, Some men distinguished neither by family nor education and without any of the honourable notoriety that comes of an upright life are ambitious of achieving fame by wicked ways Of these was the famous Alexander the coppersmith a man of no sort of distinction at all no nobility of birth no eloquence of speech who never led a political party nor an army in the field who never played the man in fight but plied from day to day his ignominious craft and won fame for nothing but his mad violence against Saint Paul Resurrecting Justice Douglas Harink, 2020-09-29 Theologian Douglas Harink invites readers to rediscover Romans as a treatise on justice tracing Paul's thinking on this theme through a sequential reading of the book and finding in each passage facets of the gospel's primary claim that God accomplishes justice in the death and resurrection of Jesus Messiah **Delivered into Covenant** Walter Brueggemann, 2021-11-09 The Pivotal Moments in the Old Testament Series helps readers see Scripture with new eyes highlighting short key texts pivotal moments that shift our expectations and invite us to turn toward another reality transformed by God's purposes and action The book of Exodus brims with dramatic stories familiar to most of us Moses ringing proclamation to Pharaoh to let my people go the freed Israelites astonished by manna in the wilderness God's descending on Mount Sinai in a cloud of fire and glory to deliver the law to Moses and the people These signs of God's liberating agency provision and covenant have sustained oppressed peoples over the ages But Exodus is also a complex book which is why we divide it into two parts Readers of parts one and two of Pivotal Moments in the Book of Exodus will encounter multilayered narratives about the mysterious action of the divine to overturn exploitative systems the giving of a new law meant to set the people of Israel apart and instructions for building a tabernacle in which God will dwell in glory How does a contemporary reader make sense of it all In *Delivered into Covenant* Walter Brueggemann offers a guide to the second half of Exodus from Israel's journey through the wilderness to Mount Sinai to the establishment of the tabernacle drawing out pivotal moments in the text Throughout Brueggemann shows how Exodus consistently reveals a God who is in radical solidarity with the powerless and who is dedicated to cultivating a covenant people who act to repudiate the powers of empire Questions for reflection and discussion are included at the end of each of the fourteen chapters making it ideal for individual or group study *The Cross in Corinth* Raymond Pickett, 1997-06-01 Pickett explores how Paul appealed to the death of Jesus in the Corinthian correspondence in order to promote a community ethos and ethic consistent with the ideals and values it symbolized In so doing Paul was responding to interpersonal conflicts within the community and criticisms of his ministry criticisms he saw as founded on Graeco Roman cultural values of the cultivated elite His consistent emphasis on the weakness of the cross served to critique social expressions of power in Corinth More constructively Paul attempted to secure conduct befitting the gospel by invoking the death of Jesus as a symbol of other regarding behaviour *New Testament Christology* Frank J. Matera, 1999-01-01 How should we understand the Christ of the New Testament What is the

biblical framework that theologians and students must master if their systematic Christology is to be rooted in Scripture In this book Frank Matera answers these questions through a comprehensive study of the Christology found in the New Testament Wisdom Songs Priest-Monk Silouan,2011-06-01 Wisdom Songs is a collection of five Centuries on the Holy Name the Song of Songs Holy Wisdom the Mysteries of Glory and the Wisdom of Stillness This ancient monastic wisdom genre was much loved by the desert fathers and hermits of old nourishing saints and seers for hundreds of years The crises of the environment informational technology interfaith and gender issues all call for wisdom So it is no surprise to find orthodox wisdom offering ancient remedies to renew the living tradition in order to address the most urgent needs of our time Priest monk Silouan lives in the Monastery of St Antony and St Cuthbert a hermitage within the Romanian jurisdiction of the Orthodox Church He lives a life of prayer silence liturgy and work in the ancient tradition of Orthodox monasticism
