Lordship Of Christ Ernst Kasemanns Interpretation Of Pauls Theology:

The Lordship of Christ David V. Way, 1991 In this study Way traces Kasemann's views from his doctoral dissertation to his magnum opus the Commentary on Romans From its context in German Protestant theology Kasemann's Pauline interpretation is systematically analysed and emphasis is given to the major theological themes which identify the continuing significance of his interpretation to biblical scholars and the church Certain unpublished lectures and letters are referred to in tracing Kasemann's views and the influence of this most provocative of Rudolf Bultmann's students on contemporary New Testament scholarship is assessed Pillars in the History of Biblical Interpretation, Volume 3 Stanley E. Porter, Zachary K.

Dawson, 2021-06-07 This third volume like its predecessors adds to the growing body of literature concerned with the history of biblical interpretation With eighteen essays on nineteen biblical interpreters volume 3 expands the scope of scholars both traditional and modern covered in this now multivolume series Each chapter provides a biographical sketch of its respective scholar's an overview of their major contributions to the field explanations of their theoretical and methodological approaches to interpretation and evaluations and applications of their methods By focusing on the contexts in which these scholars lived and worked these essays show what defining features qualify these scholars as pillars in the history of biblical interpretation While identifying a scholar as a pillar is somewhat subjective this volume defines a pillar as one who has made a distinctive contribution by using and exemplifying a clear method that has pushed the discipline forward at least within a given context and time period This volume is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the field of biblical studies has developed and how certain interpreters have played a formative role in that development **The Divine-Human Relationship in Romans 1-8 in the Light of**

Interdependence Theory Yoonjong Kim, 2020-11-12 Yoonjong Kim analyses the divine human relationship in Paul's theology focusing on Paul's portrayal of the relationship in Romans 1-8 Kim stresses that previous studies of this relationship have not paid sufficient attention to the fact that it is not static but rather exhibits progression and development towards a goal To address the significance of the human agent's role in the relationship Kim employs a social psychological theory interdependence theory offering a consistent analytic framework for diagnosing the interactions in a dyadic relationship in terms of the dependency created by each partner's expectations of outcomes Kim explores several key stages of the divine human relationship and the direction in which the relationship develops throughout Romans 1-8 in order to highlight the significance of the human partners in the course of the development He focuses in particular on betrayal 1:18-3:20 restoration 3:21-26 5:1-11 the oppressive relationship with Sin 5:12-8:11 and the investment for the future 8:12-39 and concludes that although the foundation of the relationship rests on God's initiative the divine outworking guides the relationship so that it facilitates mutual participation of the human partners in the restoration and development of the relationship toward the ultimate goal **Unveiling the Apocalyptic Paul** R. Barry Matlock, 1996-02-01 Apocalyptic is a key

concept for 20th century interpretation of Paul embracing several major figures and strands of inquiry But the category apocalyptic has itself of late come in for scrutiny which in turn reflects back on apocalyptic interpretation of Paul This study offers a review of interpretation ranging beyond Pauline studies to address apocalyptic interpretation generally Sustained attention to what interpreters are doing with this category placed alongside what is claimed as being done reveals a hermeneutical story of considerable interest and wide relevance which situates the whole interpretive dialogue The Apocalyptic Paul Jamie Davies, 2022-05-09 The Apocalyptic Paul is rapidly becoming one of the most influential contemporary approaches to the apostle's letters and one which has generated its share of controversy Critiques of the movement have come from all sides Pauline specialists scholars of Jewish and Christian apocalyptic literature and systematic theologians have all raised critical questions Meanwhile many have found it a hard conversation to enter not least because of the contested nature of its key terms and convictions Non specialists can find it difficult to sift through these arguments and to become familiar with the history of this movement its most important contemporary voices and its key claims In the first part of this book New Testament scholar Jamie Davies offers a retrospective introduction to the conversation charting its development from the turn of the twentieth century to the present surveying the contemporary situation In the second part Davies explores a more prospective account of the challenges and questions that are likely to energize discussion in the future before offering some contributions to the apocalyptic reading of Paul through an interdisciplinary conversation between the fields of New Testament scholarship Second Temple Jewish apocalypticism and Christian systematic theology

Galatians Through the Centuries John Riches, 2012-11-08 This commentary on Paul's highly autobiographical letter to the Galatians traces the history of the book's reception through the ages Explores the influence and history of this important New Testament book Demonstrates the crucial role that Galatians has played in the development of very diverse forms of Christian spirituality Considers the influence of Galatians on a wide range of theological figures including Chrysostom Augustine and Luther Examines the ways in which Galatians has influenced images of Paul suggesting that it is the indeterminacy and complexity of his text that cause it to be interpreted in such widely differing ways Focuses on verses themes or arguments that have been the subject of particularly influential readings Published in the innovative and stimulating Wiley Blackwell Bible Commentaries reception history series which focuses on the broad spectrum of interpretations rather than the traditional verse by verse analysis typically found in commentaries Paul's Message and Ministry in Covenant Perspective Scott J Hafemann, 2015-08-27 Erudite and authoritative Paul's Message and Ministry in Covenant Perspective is the fruit of twenty five years of scholarship about the theology and life of the apostle Paul now made available for the first time to a wider audience Confronting the questions raised by the history of Pauline thought since F C Baur Scott J Hafemann's essays focus on how Paul's self understanding shaped everything from his message to the driving force behind his ministry and his consequent call to suffer for the sake of his churches Hafemann's work reveals that Paul's

views of redemption of his own redemptive mission and of the life of the redeemed all derived from a central point his eschatological conviction that the purpose of the new covenant established by Jesus was to prepare the way for when Christ returns on Judgement Day

The Future Restoration of Israel Stanley E. Porter, Alan E. Kurschner, 2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature

The Pauline Book and the Dilemma of Ephesians Benjamin J. Petroelje, 2022-09-08 Benjamin J Petroelje argues that how one reads Ephesians is a function of deeper questions about how to read the Pauline book Petroelje suggests the contemporary consensus that Ephesians depicts development of away from the real Paul is largely a construct of modern criticism rooted in shifting strategies about how to read a letter collection that developed in the 19th century Using Ephesians 3 1 13 as a point of analysis Petroelje theorizes that the text s image of Paul not only anticipates recent revisionist interpretations of Paul s Jewish identity and gentile gospel but also holds together tensions in the collection itself surrounding these questions By analysing ancient letter collections beside their own hermeneutical priorities and applying this method to the late antique and modern reception of the corpus Paulinum Petroelje is able to historicize the origins of the split of Paul s corpus revealing the constructed nature of the critical consensus on Ephesians and the effect that such modern reading strategies have on interpreting the letter Urging a return to reading Ephesians alongside Pauline co texts Petroelje advocates for Ephesians as a crucial source for the study of Paul whether Paul wrote it or not

The Making of Modern German Christology, 1750-1990, Second Edition Alister E. McGrath, 2005-08-26 The Making of Modern German Christology is a reliable and readable introduction to the central themes and personalities of modern German Christology Germany and northern Switzerland have been the source of a fertile theological tradition since the beginning of the Protestant Reformation in the sixteenth century Moreover the Enlightenment seems to have had its deepest theological impact in Germany and on one area of theology in particular the person and work of Christ Now that chapter in church history seems to be coming to a close with a shift in theological emphasis away from the Continent to North America This book revised and updated from an earlier British edition is therefore a survey of that major chapter in modern theology for students and informed laypeople

The Dividing Wall Martin Wright, 2021-05-20 This book argues for the integrity of the Pauline Corpus as a complex composite text Martin

Wright critiques the prevailing tendency to divide the Corpus in two separating the undoubtedly authentic letters from those of disputed authorship. Instead he advocates for a renewed canonical hermeneutic in which the Corpus as a whole communicates Paul's legacy and the authorship of individual letters is less important, stressing that current preoccupations with authorship have a distorting effect on exegesis and need to be reconsidered. Wright uses Ephesians as a focal text to illustrate the exegetical potential of this approach. He critically investigates the history of the prevailing hermeneutics of pseudonymity with particular attention to the theological and confessional partiality with which it is often inflected. And constructively he proposes a new hermeneutical model in which the Pauline Corpus is read as a continuous interpretative dialogue leaving the question of authorship to one side. In two substantial exegetical studies Wright offers new readings of passages from Ephesians and other Pauline letters amplifying the proposed approach and illustrating its value.

God and Grace in Philo and Paul Orrey McFarland, 2015-11-09. In *God and Grace in Philo and Paul* Orrey McFarland examines how Philo of Alexandria and the Apostle Paul understood divine grace. While scholars have occasionally observed that Philo and Paul both speak about God's generosity, such work has often placed the two theologians in either strong continuity or stark discontinuity without probing into the theological logic that animates the particularities of their thought. By contrast, McFarland sets Philo and Paul in conversation and argues that both could speak of divine gifts emphatically and in formally similar ways while making materially different theological judgments in the context of their concrete historical settings and larger theological frameworks. That is, McFarland demonstrates how their theologies of grace are neither identical nor antithetical.

Historical Handbook of Major Biblical Interpreters Donald K. McKim, 1998. Contributors from both historical and biblical studies profile the methods, perspectives, and seminal works of major biblical interpreters from the second century to the late twentieth century. Includes introductory essays for each period and bibliographies of each interpreter. Edited by Donald K. McKim.

Where Christology Began Ralph P. Martin, Brian J. Dodd, 1998-01-01. One of the best known and most influential passages in the New Testament is the hymn of Philippians 2:5-11, which traces the dialectical path of Christ from preexistence or pretemporal existence to incarnation and exaltation. There is little agreement and a great deal of debate on this central text of Christian theology. In this book, an international group of scholars comment on the classic and current understandings of this passage, searching for insights into the ongoing exegetical inquiry.

Theological Issues in the Letters of Paul J. Louis Martyn, 2005-12-01. The fruit of decades of research, the picture of Paul that Martyn paints in this major work is arresting, both horrified and thankful to find in the crucifixion of God's Christ the death of the old cosmos and the birth of the new one. Paul and the Apocalyptic Imagination Ben C. Blackwell, John K. Goodrich, Jason Maston, 2016-06-03 Since the mid twentieth century apocalyptic thought has been championed as a central category for understanding the New Testament writings and the letters of Paul above all But apocalyptic has meant different things to different scholars Even the assertion of an apocalyptic Paul has been contested does it mean the invasive power of God that breaks with the present age Ernst K semann or the broader scope of revealed heavenly mysteries including the working out of a many staged plan of salvation N T Wright or something else altogether Paul and the Apocalyptic Imagination brings together eminent Pauline scholars from diverse perspectives along with experts of Second Temple Judaism Hellenistic philosophy patristics and modern theology to explore the contours of the current debate Contributors discuss the history of what apocalypticism and an apocalyptic Paul have meant at different times and for different interpreters examine different aspects of Paul s thought and practice to test the usefulness of the category and show how different implicit understandings of apocalypticism shape different contemporary presentations of Paul s significance
