Lordship And Discipleship:

Lordship Vs Discipleship Dr. James W. Huntley, 2013-08-19 This book has been designed to culminate a study on our position with God as disciples We have not been chosen to assume the position as Lords We must not usurp the position as a Lord We have not been chosen to be served but to serve therefore this book will explain in detail our callings and limitations as it refers to our position and anointing This book does not indicate how anointed you are It only references that your anointing cannot be any greater than God has chosen to give unto you This book will list in detail that authority has to be given and not taken Therefore as our Master and King God alone grants us the power and authority as he chooses to disseminate amid the Body of Christ This book has been designed to explain that we are not Lords but disciples A disciple is a follower and student of a mentor teacher or other figure The higher our calling the greater our servitude should be Additionally we are considered as Servant Leaders Servant leadership is both a leadership philosophy and set of leadership practices Traditional leadership generally involves the accumulation and exercise of power by one at the top of the pyramid By comparison the servant leader shares power but most importantly puts the needs of others first and helps people develop and perform as highly as possible Therefore I have attempted to reference in detail our positions and appointments and what the scripture indicates in reference to our responsibilities with that calling and position Although we are powerful and full of an anointing by God we must understand that whatever God has given we should utilize it to complete the work of God and not our personal agendas Furthermore it is not our will that should be implemented but that of God and him alone When we understand our position with God we can perform our duties with greater convictions and at a higher level *Lordship and Discipleship* Eduard Schweizer, 1960 The New Testament contributors were courageous enough to be one sided They made their choice and preached the message in terms their hearers could grasp opposing clearly the special dangers of their time and place Must our younger generation or to take a quite different example the Japanese people first be converted to a Hebrew or Greek way of thinking in order to be able to receive the gospel Or may we without denying the old creeds proclaim the same truth in the West perhaps in terms of the meaning of God's acts for our existence and in Japan perhaps in quite different terms Publisher from the 2012 edition **Discipleship Training I: Living in Lordship** Thomas A. Countryman, 2025-10-01 Humans were designed to live in Lordship in unity under Christ Every day in every situation we are called to animate life ever more creatively by serving glorifying and enjoying God in imitation of Jesus This is the purpose of people and who we are to our Creator The opportunity to overcome all obstacles using the Holy Spirit's power and the mind of Christ is the Scriptural promise and potential of discipleship Living in Lordship uses solid fact based theology confirmed by a myriad of cited and verified authorities to meld these ideals into a cohesive wholeness aimed squarely at the scarcity mindset It invites all those seeking more from life into a consistent experience of real and practical blessing purposefulness and potency It passionately presents a timely antidote for anxiety insecurity and pessimism Answering the First Question of

Discipleship The Question of Purpose Who am I to God this initial Module of the Discipleship Training Field Manual lays a foundation from which personal and spiritual growth self realization and abundant life are not only possible but inevitable Today s world needs a new song to sing To that end Living in Lordship asserts rediscovering true Christian discipleship is not just a thing it is THE thing in Church and in life It should be the backbone and ultimate goal of every church and ministry Living in Lordship means nothing less than fully re presenting Christ to a hurting and broken world As Jesus Himself invited Come and you will see

Oswald Sanders,2009-01-01 As J Oswald points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle Those with only superficial belief will soon fall away from the faith but Sanders says a true disciple would rather be presented with a difficult challenge than a soft option Disciples are charged with the task of training themselves to be godly because it is their responsibility to remain spiritually fit Ever fresh topics in this time tested volume include the disciple s second chance the disciple s ambition the disciple s senior partner the disciple s Olympics the disciple s right the disciple s maturity
