Lornas Wish:

Goodnight Lorna Jean Kim Johnson, 2011-01-05 What would you do if you had your world turned upside down How would you react to devastating news How could you keep going year after year trying to be normal Until you have actually been through the situation I defy anyone to actually know the truth How could you possibly prepare yourself for the impact that your wife has been diagnosed with cancer How would you react to setback after setback They say that forearmed is forewarned The book goes through the process from feeling ill to being diagnosed to the regular medical check ups to the setbacks to the final ultimate chapter It also reveals the emotions that are felt afterwards How do you survive the loss of a loved one How do you restructure your life after such a cruel fate After twenty five years of marriage you tend to get into certain routines what happens when the routines are demolished and you find yourself hopelessly alone The author was with his wife for over thirty years He was at her side from the very beginning to the bitter end He shares with the reader his deepest thoughts and emotions He does not pull back from any aspect of the journey which is sometimes very raw to read He tells the tale as it was from his point of view It is this aspect that makes the book quite unique as it is told from the male primary caregiver s point of view He delves into his emotions after the dreadful event and describes how he tries to rescue his life from the edge of oblivion If it is true that one person in three will be affected by cancer then one person in three should read this book It is not always an easy read as it deals with the ultimate sadness but it could help those who are going on a similar journey

to wonder who or what is causing the crisis *Yūgen* LL Wright,2025-05-27 During the Star Festival Lorna makes a wish and this wish is to find her one true love This story is a mix of Japanese mythology and meddling gods The book starts with Lorna's confused and manic state in her hotel room As the story unfolds we learn parts of her horrible traumatic and supernatural event that happened to her in Japan She tries to figure out why she is having flashes of memories of places she had never visited before With danger at every turn in an unknown land a magical sword transports her back in time to the Edo period A handsome silver haired shapeshifter finds her Being a modern woman in a country that does not allow foreigners Lorna has to navigate her heart and try to get back to her time while battling evil foes One really likes to face their inner demons and see the parts of oneself that one hates This is Lorna in yugen version instead of Alice in Wonderland But it was real and the beings that are out there are dangerous nightmares brought to life Going back to the present and what Lorna will learn is a game changer The sword that transcends time has the power to freeze anyone in their tracks Join this adventure And will love save all This is a more realistic story with twists and a girl who will change her mind for her own happiness **The Life and Loves of Laurie Lee** Valerie Grove,2014-06-19 Millions of readers know and love him for his lyrical portraits of his life from the moving and nostalgic tales of childhood and innocence found in the pages of *Cider with Rosie* to the nomadic wanderings through Spain retold in *As I Walked Out One Midsummer Morning* to his dramatic experiences fighting Franco's forces in *A Moment of War* As a poet playwright broadcaster and writer Laurie Lee created a legend around himself that would see him safely secured in the literary canon even within his own lifetime Yet though he wrote exclusively about his own life Lee never told the whole story His readers know him as a man devoted to two women his wife and his daughter the firstborn Among the pages of his published works there is little trace of the girls he left behind He never identified in print the girl who inspired him to go to Spain or the woman who supported him there He never named the beautiful mistress he came home to who was the great love of his young life and who led him into literary London bore his child and broke his heart In *The Life and Loves of Laurie Lee* acclaimed biographer Valerie Grove delves into the letters and diaries he kept hidden from the world building on her magisterial study of the charismatic poet to capture the essence of this romantic elusive enigma and bring him to life once more Lorna Doone R.
