Los Angeles Dodgers Media Guide 1986:

The Los Angeles Dodgers Encyclopedia Richard J. Shmelter, 2017-09-11 Over the past 60 seasons the Los Angeles Dodgers have risen to the pinnacle of Major League Baseball winning 21 National League pennants and 6 World Series titles Amid the backdrop of Hollywood glitz and glamor the iconic franchise owes its consistent success to the talents and efforts of many This encyclopedia provides stats and biographical details for all of them Sections cover the 1958 2016 seasons influential players and executives Dodgers traditions and season and career records An all time player roster and list of all time managers are included

The Dodgers Encyclopedia William McNeil, 2000-09-25 The Dodgers Encyclopedia is the definitive book on Los Angeles and Brooklyn Dodgers baseball It traces the history of one of Major League Baseball's most successful organizations from the misty beginnings of its predecessors in rural Brooklyn more than 140 years ago through their formative years in the major leagues as a member of the American Association from 1884 through 1889 to a full fledged representative of the National League since 1890 It covers the exciting and often many years in Brooklyn through 1957 as well as a long and successful sojourn in Southern California during the last half of the 20th century

Miracle in Chavez Ravine William F. McNeil, 2008-06-25 After winning the 1981 World Series and raising the expectations of management and fans the Los Angeles Dodgers followed up with six years of disappointing finishes By the time they ended the 1987 season 17 games behind the hated Giants general manager Fred Claire had seen enough Over the winter Claire radically restructured the team bringing in fiery players like outfielder Kirk Gibson closer Jay Howell and shortstop Alfredo Griffin to spark the team out of complacency Led by Gibson and pitcher Orel Hershiser the upstart Dodgers outlasted Houston in a race for the NL West title and edged a star studded Mets team in the league championship series But their best most dramatic moments came in the World Series when the Dodgers shocked everyone by bashing the A's of McGwire and Canseco in five games In the first book length history of the 1988 Dodgers author Bill McNeil covers the story from all angles

The Giants and the Dodgers Andrew Goldblatt, 2015-10-05 The Giant Dodger rivalry was considered the best in baseball by 1890 and remains the game's oldest and most storied rivalry today It's remarkable how often both teams have been good how rarely they've both been bad and how tenaciously the underdog has battled in between Through 12 decades and in two sets of cities 3 000 miles apart Giant and Dodger partisans have rooted so passionately against each other that just as during the Civil War conflicting loyalties have divided neighbors and even families This is the definitive account of the rivalry from its roots in amateur contests between New York and Brooklyn teams in the 1840s to its present incarnation in California's world class cities All the greats are here Ward Ebbets McGraw Mathewson Terry Durocher Reese Robinson Mays Koufax Drysdale Marichal Lasorda Bonds The book also examines the cities that have hosted the rivalry and devotes a special section to the move to California The author argues compellingly that contrary to popular wisdom the rivalry's best years came after the move
