Los Windsor The Royals:

A Royal Passion Anne M. Lyden, 2014-02-04 In January 1839 photography was announced to the world Two years prior a young Queen Victoria ascended to the throne of Great Britain and Ireland These two events while seemingly unrelated marked the beginnings of a relationship that continued throughout the nineteenth century and helped construct the image of an entire age A Royal Passion explores the connections between photography and the monarchy through Victoria's embrace of the new medium and her portrayal through the lens Together with Prince Albert her beloved husband the Queen amassed one of the earliest collections of photographs including works by renowned photographers such as Roger Fenton Gustave Le Gray and Julia Margaret Cameron Victoria was also the first British monarch to have her life recorded by the camera images of her as wife mother widow and empress proliferated around the world at a time when the British Empire spanned the globe The featured essays consider Victoria's role in shaping the history of photography as well as photography's role in shaping the image of the Queen Including more than 150 color images several rarely seen before drawn from the Royal Collection and the J Paul Getty Museum this volume accompanies an exhibition of the same name on view at the J Paul Getty Museum from February 4 to June 20 2014

The Rough Guide to the Royals Rough Guides, 2012-04-05 Britain's royals are the official face of the state and the center of a worldwide media circus This entertaining Rough Guide to the Royals explores the paradox of one of the world's oldest monarchies It casts a quizzical eye over the current royal family from former Olympic horse rider Anne and industry ambassador Andrew to current favorites William and Kate It answers such burning questions as what they do where they get their money from how fundamentally British are they and just who is twelfth in the line to the throne One year old Savannah Phillips is the answer This book looks at the most extravagant royal ceremonies and the most controversial figures from wife murderer Henry VIII to the scandalous Caroline of Brunswick who was banned from her husband's coronation but turned up anyway The best and the worst monarchs are reassessed with investigations into how the likes of alleged nephew killer and hunchback Richard III achieved their villainous reputations The image of the monarchy is also examined whether it's in commemorative ceramics respectful movies such as *The King's Speech* or more critical fare

Shakespearean Objects in the Royal Collection, 1714-1939 Kirsten Tambling, 2025-09-22 The British royal collection includes nearly 2 000 objects with a connection to Shakespeare What stories do these objects tell of the relationship between the man often described as Britain's national poet and Britain's royal family Royal collecting of Shakespeare did not really begin until 1714 and has therefore broadly tracked the development and entrenchment of the Hanoverian and latterly the Saxe Coburg Gotha royal family Not entirely coincidentally this period also saw a general increase in public interest in objects associated with Shakespeare's life and biography often to the detriment of Shakespeare's works a development partially spearheaded by the Shakespeare Jubilee masterminded by the actor David Garrick at Stratford upon Avon in 1769 The histories of specific works of art in the royal collection from Thomas Gainsborough's painting of Mary Robinson to a collection of relic objects relating to Herne's Oak and Shakespeare's mulberry tree reveal how royal engagement with Shakespearean objects between 1714 and 1939 contributed to the development of a new constitutional settlement between the monarchy and its subjects under George IV Queen Victoria and George V and Queen Mary During this period objects relating to Shakespeare increasingly regarded by

the royal family as nostalgic souvenirs from a fantastical national past were useful tools in shoring up these ideas and in yoking the fortunes of the British monarchy to a new vision of shared national history [Focus On: 100 Most Popular Knights of the Garter](#) Wikipedia contributors, **Regal Revelry: A Look at the Holiday Traditions of Royal Families Through the Ages** Jerold Potter, Explore how kings queens princes and princesses across history have celebrated holidays in opulent palaces and grand castles From extravagant feasts to intricate ceremonies this book delves into the intricate details of royal festivities Discover the fascinating customs and rituals that have been passed down through generations shaping the way monarchs commemorate special occasions Learn about the elaborate decorations sumptuous meals and exquisite entertainment that characterize royal holiday celebrations Delight in tales of yuletide joy stunning masquerades and elegant balls that bring a touch of magic to the royal courts Uncover the secrets behind the illustrious gift giving between royal families as well as the sentimental traditions that hold special significance for each monarchy Gain insight into how royal households around the world honor their heritage culture and faith during festive times of the year From Christmas to Easter Hanukkah to Diwali witness the diverse ways in which kings and queens mark these important milestones Experience the pomp and pageantry of royal holidays like never before with captivating anecdotes and captivating illustrations that bring history to life Immerse yourself in the elegance and splendor of centuries old traditions that continue to enchant and inspire to this day **Regal Revelry** is a captivating exploration of how the privileged few celebrate the most wonderful time of the year **Bright Young Royals** Jerramy Fine, 2011-09-14 Young hot and royal More than ever before nightclubs and ski slopes are teeming with a new generation of hip young royals many of them single and looking for love Packed with full color photographs and page after page of gorgeous profiles **Bright Young Royals** is your glamorous must have guide to the smartest best looking crowd the world's monarchies have ever produced Find out where they work where they play and if you have what it takes to win their royal hearts Read on to discover who's who of the young and titled and see for yourself why these bluebloods are so red hot **Learn Spanish - Easy Reader - Easy Listener - Parallel Text: Audio Course No. 3** Polyglot Planet, 2017-06-01 Are you relatively new to learning Spanish or need to brush up on your language skills You wish to not only talk like a native but also understand them clearly Welcome to Polyglot Planet We provide you with the right tools energy and motivation for you to understand and speak Spanish confidently Learn to speak Spanish almost instantly with our easy text and audio recordings Without prior knowledge of grammar or sentence structures you will learn how to use everyday Spanish consistently and effectively Not only that You will also learn key vocabulary phrases and conjugations in a structured environment which is designed to help build you a solid foundation you will always remember With our audio course you will quickly master the listening and speaking skills needed to converse with a native Our audio tutor you will help you perfect your pronunciation and you will even get a better grip of the grammar whilst avoiding boring textbook material You will be speaking Spanish within minutes of taking our course Parallel text translations
