

LOST POEMS

One Art

The art of losing isn't hard to master;
so many things seem filled with the intent

Lost

Lost in a world, that scares me to death,
Lost in a crowd, I'm losing my breath.

And Nothing Is Ever As You Want It To Be

You lose your love for her and then
It is her who is lost,

I Am Not Yours

I am not yours, not lost in you,
Not lost, although I long to be

Any Soul That Drank The Nectar

Any soul that drank the nectar of your passion was lifted.
From that water of life he is in a state of elation.

A Door Just Opened On A Street

A door just opened on a street-
I, lost, was passing by-

A Stone I Died

A stone I died and rose again a plant;
A plant I died and rose an animal;

Fauna's Lost And Found!

To purses of leather
one lost its skin

Lost Poems:

The Names of the Lost Philip Levine, 1976 **Hearings** United States. Congress Senate, 1955 **Not Till We Are Lost** William Wenthe, 2003-10-31 William Wenthe's second collection of poetry is a personal amplification of a passage from Henry Thoreau's *Walden* Not till we are lost in other words not till we have lost the world do we begin to find ourselves and realize where we are and the infinite extent of our relations Beginning with the necessary dislocation and loss that accompany adulthood these strong and moving poems tell a story of a man's losing his way in the midst of personal tragedies the death of his parents and the end of a marriage only to discover the true depth of his connection with others and ultimately with the divine In a variety of free verse traditional forms and sonnets the poet begins to reassess his life and his art and considers the possibility that language may distance us from the real as much as bind us to it Both deeply personal and powerfully spiritual *Not Till We Are Lost* strives toward the rediscovery of relations to family and lover to culture to environment Whether in a desert canyon or a high rise hotel or wading waist deep in a river the poet solid and honest is always aware of his ties to history and its artistic representations The destination as well as the difficult means of arrival is love no mere word but a pain and sweetness in which loss and celebration converge **Milton's Late Poems** Lee Morrissey, 2022-08-25 Upending conventional scholarship on Milton and modernity Lee Morrissey recasts *Paradise Lost* *Paradise Regained* and *Samson Agonistes* as narrating three alternative responses to a world in upheaval adjustment avoidance and antagonism Through incisive engagement with narrative form and genre Morrissey shows how each work considered specifically as a fiction grapples with the vicissitudes of a modern world characterised more by paradoxes ambiguities subversions and shifting temporalities than by any rigid historical periodization The interpretations made possible by this book are as invaluable as they are counterintuitive opening new definitions and stimulating avenues of research for Milton students and specialists as well as for those working in the broader field of early modern studies Morrissey invites us to rethink where Milton stands in relation to the greatest products of modernity and in particular to that most modern of genres the novel *The Collected Poems of Delmore Schwartz* Delmore Schwartz, 2024-04-02 The first complete collection of the poetry of Delmore Schwartz the most underrated poet of the twentieth century John Berryman When Delmore Schwartz published his first short story *In Dreams* *Begin Responsibilities* in *Partisan Review* in 1937 he became an instant literary celebrity After the appearance of his first book by the same name he was inundated with praise The famed poet Allen Tate wrote to him Your poetic style is beyond any doubt the first real innovation that we've had since Eliot and Pound and T S Eliot himself wrote Schwartz a letter asking him to compose more poetry The brilliant start of his career is matched perhaps only by its tragic end a lonely death after an extended period of alcoholism depression and derangement Today more than fifty years after his death in 1966 Schwartz is often remembered for the tragedy of his life rather than for the innovation and sad brilliance of his greatest work This book brings together all of Schwartz's poetry for

the very first time from his groundbreaking debut collection to his unpublished late work which he kept writing until his death Accompanied by Ben Mazer's illustrative notes and introduction The Collected Poems of Delmore Schwartz offers readers the long awaited opportunity to rediscover one of the most influential and original poets of the twentieth century As Mazer writes in his introduction It is the poems that count now And it is the glory of the poems that survives here awaiting new life

The Lost Poems Thomas L. Mcrae,2010-08 This book has everything and any thing a true poet lover could ever need It has a deep sense of style and grace As well as harmony

Lost Loss in American Elegiac Poetry Toshiaki Komura,2020-10-07

Lost Loss in American Elegiac Poetry Tracing Inaccessible Grief from Stevens to Post 9 11 examines contemporary literary expressions of losses that are lost on us inquiring what it means to lose loss and what happens when dispossessory experiences go unacknowledged or become inaccessible Toshiaki Komura analyzes a range of elegiac poetry that does not neatly align with conventional assumptions about the genre including Wallace Stevens's The Owl in the Sarcophagus Sylvia Plath's last poems Elizabeth Bishop's Geography III Sharon Olds's The Dead and the Living Louise Glück's Averno and poems written after 9 11 What these poems reveal at the intersection of personal and communal mourning are the mechanism of cognitive myth making involved in denied grief and its social and ethical implications Engaging with an assortment of philosophical psychoanalytic and psychological theories Lost Loss in American Elegiac Poetry elucidates how poetry gives shape to the vague despondency of unrecognized loss and what kind of phantomic effects these equivocal grieving experiences may create

Poems On The Bus Richard Archer,2016-09-11 Poems on the Bus is the third collection of poetry from Richard Archer The poems in this book came to life on the bus from Walsall to Birmingham and back again Much to the surprise of the fellow passengers Inside discover the perils of commuting in sub zero conditions and just what might have been the contents of your school dinner Read on and discover why people don't queue for the bus anymore and the secret fate that befell your favourite childhood pets This is a collection of poetry that can be enjoyed on your journey to work at home or with a glass of your favourite tipple in the pub
