Lost Testament:

In Search Of The Lost Testament of Alexander the Great David Grant, 2017-01-28 A unique backstory of Alexander and his successors the biased historians deceits wars generals and the tale of the literature that preserved them Babylon mid June 323 BCE the gateway of the gods prostrated in the Summer Palace of Nebuchadrezzar II on the east bank of the Euphrates wracked by fever and having barely survived another night King Alexander III the rule of Macedonia for 12 years and 7 months had his senior officers congregate at his bedside Abandoned by Fortune and the healing god Asclepius he finally acknowledged he was dying Some 2 340 years on five barely intact accounts survive to tell a hardly coherent story At times in close accord though more often contradictory they conclude with a melee of death scene rehashes all of them suspicious the first portrayed Alexander dying silent and intestate he was Homeric and vocal in the second the third detailed his Last Will and Testament though it is attached to the stuff of romance Which account do we trust *In Search Of The Lost Testament Of Alexander The Great* is the result of a decade of contemplations on Alexander presented as a rich thematic narrative Grant describes as the backstory behind the history of the great Macedonian and his generals Taking an uncompromising investigative perspective Grant delves into the challenges faced by Alexander s unique tale the forgeries and biased historians the influences of rhetoric romance philosophy and religion on what was written and how Alexander s own mercurial personality is vividly dissected and the careers and the wars of his successors are presented with a unique eye But the book never loses sight of central aim to unravel the mystery behind Alexander s unconvincingly reported intestate death And out of Grant s research emerges one unavoidable verdict after 2 340 years the Last Will and Testament of Alexander III of Macedonia needs to be extracted from romance and reinstated to its rightful place in mainstream history Babylon in June 323 BCE Although the result a decade of academic research *In Search Of The Lost Testament Of Alexander The Great* is written in an entertaining and engaging style that opens the subject to both scholars and the casual reader of history looking to learn more about the Macedonian king and the men who made his story It concludes with a wholly new interpretation of the death of Alexander the Great and the mechanism behind the wars of succession that followed **Lost Christianities**

Bart D. Ehrman, 2005-09-15 The early Christian Church was a chaos of contending beliefs Some groups of Christians claimed that there was not one God but two or twelve or thirty Some believed that the world had not been created by God but by a lesser ignorant deity Certain sects maintained that Jesus was human but not divine while others said he was divine but not human In *Lost Christianities* Bart D Ehrman offers a fascinating look at these early forms of Christianity and shows how they came to be suppressed reformed or forgotten All of these groups insisted that they upheld the teachings of Jesus and his apostles and they all possessed writings that bore out their claims books reputedly produced by Jesus s own followers Modern archaeological work has recovered a number of key texts and as Ehrman shows these spectacular discoveries reveal religious diversity that says much about the ways in which history gets written by the winners Ehrman s discussion ranges

from considerations of various lost scriptures including forged gospels supposedly written by Simon Peter Jesus's closest disciple and Judas Thomas Jesus's alleged twin brother to the disparate beliefs of such groups as the Jewish Christian Ebionites the anti Jewish Marcionites and various Gnostic sects Ehrman examines in depth the battles that raged between proto orthodox Christians those who eventually compiled the canonical books of the New Testament and standardized Christian belief and the groups they denounced as heretics and ultimately overcame Scrupulously researched and lucidly written Lost Christianities is an eye opening account of politics power and the clash of ideas among Christians in the decades before one group came to see its views prevail **Lost Books of the Bible For Dummies** Daniel L.

Smith-Christopher, Stephen J. Spignesi, 2011-02-02 Lost Books of the Bible For Dummies is your one stop guide to once hidden works that add a new dimension to Biblical teachings Most people have heard about the discovery of strange ancient religious writings that are not part the Hebrew Bible or the New Testament such as the Gnostic Gospels Now you will find new insights and a fresh perspective on long lost works that may have once been in the running for Biblical inclusion but didn't make the final cut This easy to understand guide examines the sometimes weird provocative and profoundly moving texts that have been lost as well as those hotly debated works that are in some Bibles and not others You will come away with a clearer understanding of the Judeo Christian religion and the development of the Biblical canon You'll learn about the origins of the Bible explore early scriptures and understand why translations affect the meanings of texts You'll even learn how the Greek influenced early Biblical writing Find out how to Explain what the term lost books means Understand the definition of canon Take translation differences into consideration Divide early writings into style categories Take another look at scripture with the Dead Sea Scrolls See how the Greeks influenced early scripture Decode apocalyptic visions Complete with a list of ten of the weirdest Jewish lost books ten of the weirdest Christian lost books ten sayings of Jesus NOT in the Bible and ten lost books that every student of the Bible should read Lost Books of the Bible For Dummies is your one stop guide to understanding and reading the Biblical lost books **The Lost Revelation** Ira Messenger, 2007-12 Providing us with the only known revelation of the Gospel according to substitution a new and exciting interpretation of biblical truth Ira Messenger is probably the most controversial theologian of our day Author of the books The Wrong Turn The Fourth Dimension and The Indictment Messenger is also a radio and television talk show host The Lost Revelation offers answers to questions that his listening audience has submitted What makes Messenger so controversial is his attack on the mantra of present day Christianity Messenger brings a different perspective to biblical interpretation one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions Do yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective You may find yourself questioning much of what you believed to be true about Christianity **Restoring Lost Truths** Donald Werner, 2016-02-29 The Book of the Revelation tells us that Satan deceives the whole world and causes them to wonder after the Beast follow his teachings and that s

happening today What are those teachings that have deceived the whole world Surprising enough those false teachings are coming from within the church which left its Apostolic Hebrew Roots This Book will shock amaze and bless you It will reveal to you critical Biblical truths that were lost or perverted over the centuries These lost truths have caused some of the churches core doctrines to no longer be in harmony with the Scriptures Those that are deceived by the false teachings revealed in this book are unknowingly on the Broad Way leading to destruction they have accepted a false God and a false Gospel What is revealed in the book is staggering you will wonder how could this happen Then you will ask yourself Could I be deceived This book will challenge your beliefs and your understanding of God Lost in Translation John Klein,Adam Spears,2007 Revised 2016 Edition Despite the sensational nature of its subject Lost in Translation Rediscovering the Hebrew Roots of our Faith is written in simple clear rational language that relies 100 percent on the Bible as the ultimate authority The book s authors clear away centuries of confusion surrounding subjects that are seldom addressed in modern sermons and Bible studies Using the ancient Hebrew language and culture the authors clarify many of the Bible s so called mysteries and help the reader rediscover many of the foundational truths that have been lost in translation Topics include Who is the Bride of Messiah Is there a difference between covenant and testament Israel Who are they really What is the difference between devils demons and nephilim Join us on an exciting adventure to rediscover the treasures still buried within the pages of The Book that reveal the pathway to the heart of God A must read for the church Providing foundational insights which lead to a greater understanding of God s master plan this book will open your eyes to scriptural distortions due to the centuries of Greek influence on the church Corey Berti Senior Pastor Silver Valley Worship Center ID I ve been a believer for 12 years and I ve read numerous scriptures that didn t make sense The authors do a tremendous job of explaining the importance of understanding our Hebrew roots which provide context and clarity to the overall theme of God s message It s like watching TV in black and white and then suddenly seeing it in color The truth hasn t changed but it s meaning becomes more vivid Jason Carr **The Lost Kingdom of Moyon (Bujuur)** Rev Dr Koningthung Ngoru Moyon,2023-11-16 The book The Lost Kingdom of Moyon Bujuur Iruwng King Kuurkam Ngoruw Moyon The People of Manipur is not to produce a new history of Moyon Who were earlier known as Bujuur but rather to tell the true and authentical historical account of the Moyon people through the ages and centuries how their creator led them during their past lives It also deals concerning kingship and introduce the kingdom of God **The Lost World of the Torah** John H. Walton,J. Harvey Walton,2019-02-26 To modern eyes what we call the biblical law or Torah seems either odd beyond comprehension not eating lobster or positively reprehensible executing children Using a consistent methodology to look at the Torah through the lens of the ancient Near East Walton and Walton offer a restorative understanding that will have dramatic effects in interpreting the text and in discerning the significance of the Torah for today **The Lost Men** David A. Colón,2012-03-30 In a world where the human population has been decimated self reliance is the order of the day Of necessity the few remaining people must

adapt residual technology as far as possible with knowledge gleaned from books that were rescued and have been treasured for generations After a childhood of such training each person is abandoned by their parents when they reach adulthood to pursue an essentially solitary existence For most the only human contact is their counsel a mentor who guides them to find the one their life mate as decreed by Fate Lack of society brings with it a lack of taboo ensuring that the Fate envisioned by a counsel is enacted unquestioningly The only threats to this stable if sparse existence are the lost men mindless murderers who are also self sufficient but with no regard for the well being of others living outside the confines of counsel and Fate Is Fate a real force or is it totally imagined an arbitrary convention a product of mankind s self destructive tendency Is it our responsibility to rebuke inherited wisdom for the sake of envisioning and manifesting our own will Beginning with solitude ending with ironic hope every moment is challenged by the present An extraordinary challenge to our present Col n s d but offers a dark disturbing allegory one that recalls for contemporary fantasy the best traits of literary tradition Neil Easterbrook SFRA 2009 Pioneer Award winner An entirely original weird and wonderful world that always keeps us guessing In this impressive debut Col n confronts us with the most difficult questions that can be asked about fate free will and the foundations of justice Lee Konstantinou author of Pop Apocalypse a Possible Satire *The Gospels: "Lost" and Found* Timothy Paul Jones, 2021-08-03 Were other gospels included in the New Testament then later rejected How do we know the gospels are reliable Gospels Lost and Found gives solid reasons to trust the New Testament writings and provides answers to Bart Ehrman s book Misquoting Jesus Author Timothy Paul Jones Ph D shows where the critics are incorrect and provides us with logical well reasoned arguments for believing that Jesus lived died and rose again according to the Scriptures This pamphlet is packed with Easy to understand summaries Full color illustrations A timeline showing New Testament and Gnostic Documents Comparison charts with key information at a glance And more Answers Top Common Questions About the Validity of the Bible and New Testament Now is the time to discuss textual criticism because critics are bringing this to the public debate and claiming that the Bible cannot be trusted It is important to help Christians become better informed ready to defend the faith This pamphlet answers the following common questions and more Who really wrote the Gospels Was it really Matthew Mark Luke and John Or were the gospels written by people who were utterly unconnected with eyewitnesses as some books and TV shows claim Were the gospels written so long after Jesus death and resurrection that they cannot be relied upon Were there gospels that were included in the New Testament and later removed Why were these four books chosen and not others Dr Jones interest in this topic began many years ago when he came across arguments against the Bible At first his faith was badly shaken and he wondered if he still believed in the Bible But as he researched more he found answers In just fourteen concise pages Dr Jones shows the errors in critics logic and facts and does it in an easy to understand style
