Gateway to The Heavens Karen L. French, 2014-05-20 Simple geometric shapes and symbols combine to make the universal powerful sacred model Karen French calls *Gateway to the Heavens* In this book French explains the meaning and purpose of these shapes how they mold our reality and perception of it and how they have a direct bearing on what you are and why you are here These shapes and symbols contain messages that have been consistently represented in religion philosophy mythology mysticism the arts and sciences Their messages are built into our genetic make up and we recognize them instinctively The book is divided up into 3 parts Part 1 covers the properties of the basic geometric shapes and numbers Part 2 describes how these in turn form layers of construction creating principals that are fundamental to the purpose of the universe the spiral sustains reality the cross highlighting the central point of existence and the heart is where we weigh up our choices Part 3 describes how we can use these principals to create positive change in our lives by helping us to expand our awareness of reality

Global Security Watch—Sudan Richard A. Lobban Jr., 2010-09-02 This book provides an overview of contemporary issues in Sudan Africa's largest nation examining the country's history and current scene to help readers develop a deeper understanding of how much Sudan matters in today's world With deep connections to the Sahel and savanna to the west the African world to the south the Horn of Africa to the east and the Middle East to the north Sudan

is important strategically legally geopolitically and militarily but too often overlooked or underestimated Sudan the country of residence of Osama bin Laden for six years has played and will continue to play a significant role in worldwide security matters An analysis of the causes resolutions and implications of the ongoing Sudanese conflicts including the genocide in Darfur this book is essential reading for policymakers researchers and students alike This book considers Sudan s historical foundations examining how the agendas of countries to the south east and north have influenced Sudan s people and government The author also explains the origins and context of the Darfur conflict laying out possible steps toward a resolution Questions concerning Sudanese oil where is it how much is there to whom does it belong help focus any discussion of Sudan s emerging importance in the contemporary world Other issues such as the influence of Islamism or the Sudanese activities of the Arab League China or the African Union underline the uncertainties that confront the people of Sudan today

The Summoning F.G. Cottam,2014-05-01 An archeology student in Scotland uncovers a sinister talisman that draws him into a world of terrifying black magic in this well crafted horror story Booklist On an archeological dig in a Scottish forest college student Adam Parker unearths a mysterious metal artifact But Professor Grayling the dig coordinator insists Adam must keep his discovery quiet Because Grayling recognizes the amulet and the strange creature depicted on it It is a sign that Adam s life is about to change forever Summoned to fulfil his destiny Adam is introduced to a dark shadow world that exists alongside our own An epic unseen battle has been waged there for centuries Now Adam must join the fray and face the ultimate test For within that shadow world lurks Rabanus Bloor the man who has sworn to seek out Adam and destroy him whatever it takes Horror fans will certainly be entertained by the story which will remind some of the works of Graham Masterton Booklist *Art as Politics in Late Medieval and Renaissance Siena* TimothyB. Smith,2017-07-05 In *Art as Politics in Late Medieval and Renaissance Siena* contributors explore the evolving relationship between image and politics in Siena from the time of the city state s defeat of Florence at the Battle of Montaperti in 1260 to the end of the Sienese Republic in 1550 Engaging issues of the politicization of art in Sienese painting sculpture architecture and urban design the volume challenges the still prevalent myth of Siena s cultural and artistic conservatism after the mid fourteenth century Clearly establishing uniquely Sienese artistic agendas and vocabulary these essays broaden our understanding of the intersection of art politics and religion in Siena by revisiting its medieval origins and exploring its continuing role in the Renaissance
