winning author Sarah Henstra Theresa Bateman a struggling junior art historian in Toronto receives a single tarot card in the mail The image is unmistakably the work of celebrated avant garde artist Lark Ringold and its discovery would mean a breakthrough in Theresa s career But the legendary Ringold Tarot doesn t exist Its paintings were lost in a fire that claimed Lark s life along with dozens of others the final horrific implosion of a notorious cult called the Shown Sixty years earlier in England Lark and his twin sister Nell join a bohemian commune led by their charismatic uncle While Lark settles happily into his work on the tarot project to aid in his uncle s occult teachings Nell finds it harder to adjust Just beneath the Shown s golden surface she uncovers secrets that if revealed threaten to erupt into chaos Why was the tarot card sent to Theresa How can she prove its connection to Ringold when her art world superiors declare it a fake And who has been holding onto it for all these years and why As Theresa follows the trail of the lost tarot she is drawn into the deeply entwined mysteries of Nell Lark and the Shown What begins as the tale of one artist and the battle over his legacy unspools into a web of passion violence and deceit In twist after startling twist and in vibrant exquisite prose *The Lost Tarot* is a landmark novel about love creativity power and perception **The Living Age** ,1907 **Love for the Lost** Catherine Fox,2015-10-22 yet another superb and gripping novel about faith and forgiveness love and loss by the wife of the Dean of Liverpool Paul Beasley Murray Ministry Today Isobel Knox is happy and confident in her new job and likes her single life free as it is from confusing and complicating entanglements Suppressing her emotions and burying painful memories has become second nature to her but it seems to work after all why should letting it all out necessarily be good for you But there are two men who could shatter her calm brittle world Davy a young policeman who despite Isobel s distance falls in love with her and Johnny Whitaker a charismatic priest with a troubled marriage As Isobel s feelings for Johnny become stronger and deeper her facade begins to crack and the memories and emotions of years before come back overpowering her with feelings she had thought long past and dealt with *Savage Innocence* Anne Mather,2014-08-15 Discovering the savage truth Pregnant and single Isobel Dorland yearns for a real family life But though she s head over heels in love with the father of her child she knows that he s in no position to offer her marriage Resolving that she must start anew Belle leaves her hometown quietly without telling Jared where she s going or that she s carrying his baby But she hasn t reckoned on Jared s determination He wants her and it can only be a matter of time before he discovers her whereabouts and the truth **WRITINGS FOR A CAR BOOT SALE** Pamela Theophilus Gardner,2020-02-07 In *Writings for a Car Boot Sale* Pamela Theophilus Gardner takes readers on a new literary journey with her eclectic mix of writing to suit all moods In this collection of short entertaining fiction fascinating non fiction and academic essays there is something for every reader The book opens with a series of short stories a selection of fictional sketches and narrative in a variety of forms including realistic fable and drama This section concludes with a historical story based on an episode in the life of the potter and ceramic artist William Billingsley which links nicely to Pamela s second collection non fiction ceramic mysteries Well illustrated the mysteries are accessible to all readers with or

without an interest in ceramics Dating from early to late nineteenth century social history and the characters populating the stories feature as strongly as does the porcelain The book concludes with two more challenging essays stemming from Pamela s academic interest and professional experience in diet and health and exploring a blend of science and the politics of food policy

Treasured Candace Camp, 2014-06-17 Love is in the cards for a young Scottish heiress in the first book of a delicious new trilogy of historical romances *Secrets of the Loch* from New York Times bestselling author Candace Camp A family legend of hidden treasure mingles with the mist over the shores of Loch Baille But it s not the cache of gold dating back to Culloden that Jack Kensington claims when he arrives in the Highlands it s the house he won in a London card game from a luckless Scotsman Stunned to learn that her wastrel brother wagered their family estate Isobel Rose must find a way to save her home and the people she loves even if it means accepting a loveless marriage Or perhaps not so loveless Isobel unlocks the secrets of desire in the arms of the mysterious and handsome Englishman but a series of accidents makes her fear that she will soon be a widow instead of a wife As their hunt for lost riches turns into the search for a killer Isobel fights her attraction to the man who stole her birthright but can Jack convince Isobel that he can provide a home for her heart and a love to treasure
