The Loti and Victor Smorgon Collection of Contemporary Australian Art, 1987 **Dick Watkins** Mary Eagle, 2024-09-17
Dick Watkins belongs to the generation of artists whose careers were launched at the high flying end of American based Abstraction Almost immediately he faced up to the abrupt end of the Modern era Culture was no longer to be framed by progress In 1970 taking stock of the situation he announced that he was a copyist there being no such thing as a new creation in art shaped as it was by visual languages Nor did he intend to limit his curiosity about the relation of art to life by restricting himself to a personal style There followed a long and passionately adventurous exploration into many subjects and styles during which Watkins was often the first to signal changes taking place in Western culture The result is that for half a century he has been a major if controversial figure in Australian art *Rosalie Gascoigne* Martin Gascoigne, 2019-09-16
