creators lighting experts advertising executives and artists They are businesswomen The most successful momfluencers offer content that differs very little from what we used to find in glossy women s magazines like Glamour and Real Simple only they re churning it out daily and that content is their lives We flock to momfluencers to learn about fashion wellness parenting politics and to find Brooklyn designed crib sheets printed with radishes Chances are if you re a mother reading this and maybe even if you re not you are an arm s length away from something you ve purchased because a momfluencer made it look good Drawing on her own fraught relationship to momfluencer culture Sara Petersen incorporates pop culture analysis and interviews with prominent momfluencers and experts psychologists academics technologists to explore the glorification of the ideal mama online with both humor and empathy At home on a bookshelf with Lyz Lenz s Belabored and Jia Tolentino s Trick Mirror Momfluenced argues that momfluencers don t simply sell mothers on the benefits of bamboo diapers they sell us the dream of motherhood itself a dream tangled up in whiteness capitalism and the heteronormative nuclear family Momfluenced considers what it means to define motherhood for ourselves when society is determined to define motherhood for us
