Roger Anderson, 2024-07-29 Summer 1960 the Upper Midwest A mostly honest boy named Roy Ulysses Hollister with family and friends on board navigates the choppy waters of summer between the islands of 8th Grade and high school The adventure begins when Roy discovers he has an unusual ability that must remain secret During his journey Roy will suffer physical and emotional injuries including broken bones true infatuation raw jealousy and confusion about sexuality A dispute with a bitter rival will turn into a duel on the baseball diamond Worst of all shadows of death will at times cloud the skies The wild card in Roy s journey is Eleanor Eden a world famous anthropologist who moves next door to Roy s family She also harbors a big secret Together they will explore recent history as well as current events An icy cold war a new red scare in distant lands a presidential election pitting a dynamic future against a complacent past and the beginning of attempts to right civil wrongs against colored people Eleanor will open Roy s eyes to the possibilities of future change Roy will open Eleanor s eyes to life in the middle of nowhere *Los Angeles Magazine* , 2001-12 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Jesus Sound Explosion** Mark Curtis Anderson, 2007-09-01 Mention the record album Jesus Sound Explosion to a typical child of the 1970s and that person is likely to picture one of those collections that used to be shown on TV Call now Not available in stores When Mark Curtis Anderson spied a copy in a junk store a few years ago he knew just what he d found and the memories of growing up in a Baptist minister s family came flooding forth The title of Anderson s memoir is a nod to the live concert album from Explo 72 a kind of evangelical Woodstock emceed by Billy Graham Explo s crowds of 100 000 plus signaled that enterprising evangelicals were discovering how to use rock and roll in the marketplace of conversion Anderson was eleven that year too young to be at Explo but old enough to wish he was Other preachers kids may have gazed out at the wider world and craved its movies clothes or toys but he wanted its music And not just the Jesus rocker fare of Explo s Armageddon Experience or Children of Truth but the real stuff too Jesus Sound

Explosion recalls Anderson's quest for worldliness through rock as he came of age under the gaze he often sensed of his father's entire congregation. All of the backsliding and revival idealism and disillusionment one would expect is here told with delightfully understated humor and set against the sounds of The Guess Who, Yes, Lynyrd Skynyrd and Bruce Springsteen. Here is a knowing look back on a time when Jesus Christ Superstar climbed the pop charts, The Cross and the Switchblade hit the big screen and anxious parents played their kids records backwards in search of hidden messages from Satan.
