Louis-Ferdinand Céline

Louis Ferdinand Celine:

Céline: Journey to the End of the Night John Sturrock,1990-05-10 A detailed study of C line s novel Journey to the End of the Night **Louis-Ferdinand Céline. [With a Portrait.]**. Pol VANDROMME,Louis-Ferdinand Céline,1963

North Louis-Ferdinand Céline,1972 In this novel Louis Ferdinand Celine Journey to the End of the Night Death on the Installment Plan offers us a vivid chronicle of a desperate man s frantic flight from France in the final months of World War II Accompanied by his wife their cat and an actor friend our autobiographical narrator Ferdinand leaves Paris for Baden Baden a World War II hideaway for wealthy Germans is then sent to a bombed out Berlin and finally leaves for Denmark in search of the gold he had stashed there prior to the war With the Third Reich in ruins and the Allied armies on Ferdinand s heels North combines documentary realism with hallucinatory images capturing the chaos of war and its toll on both victim and

victimizer Louis-Ferdinand Céline Damian Catani,2021-10-13 The first English language biography in more than two decades of the French writer one of the great novelists of the twentieth century Louis Ferdinand C line was one of the most innovative novelists of the twentieth century and his influence both in his native France and beyond remains huge This book sheds light on C line s groundbreaking novels which drew extensively on his complex life he rose from humble beginnings to worldwide literary fame then dramatically fell from grace only to return belatedly to the limelight C line s subversive writing remains fresh and urgent today despite his controversial political views and inflammatory pamphlets that threatened to ruin his reputation The first English language biography of C line in more than two decades this book explores new material and reminds us why the author belongs in the pantheon of modern greats Louis-Ferdinand Céline Merlin Thomas,1980 This

book is neither an apology nor a defense it s a critical biography of the late French novelist **Louis Ferdinand Celine**

David Hayman,1965-11 **Critical Essays on Louis-Ferdinand Céline** William K. Buckley,1988 CÃ©line ,1997-01-01 Louis Ferdinand Celine the pseudonym of Louis Destouches was a famous novelist and ferocious anti Semitic pamphleteer who rose to fame before Hitler but perfectly represented the fascist mind set that swept across Europe between 1932 and 1944 Never a Nazi himself he was author of Journey to the End of the Night Death on the Installment Plan Guignol s Band Homage to Zola and a series of pamphlets The latter are a potpourri of racist editorials ballet scenarios and anti Semitic confessions so violent that an aesthete like Andre Gide thought them parodies of other anti Semitic literature Little wonder the Nazis regarded Celine as a fellow traveler He retreated with the Nazis across the Rhine and sought refuge with them first in Germany and then in Denmark In 1951 he benefitted from an amnesty as a wounded veteran of both World Wars Before his death in 1961 he had regained his popularity with the public and was regarded as a classic writer Now that the body of his work is in translation Celine s fame in the literary world circles the globe Celine perhaps more than any other analysis helps shed some light on this enigmatic figure It establishes his literary importance and at the same time examines his anti Semitism After a final meeting Hindus declared that Celine is a splinter in my mind that I ve got either to absorb completely

or eject completely The reader of this fascinating critical memoir of one of the twentieth century s most controversial literary figures is apt to be left with a similar dilemma **Louis-Ferdinand Céline** Michel Beaujour,1968 *Louis-Ferdinand Céline* David Hayman (critico letterario.),1965 Conversations with Professor Y Louis-Ferdinand Céline,2006 So begins the imaginary interview that comprises this novel Professor Y the interviewing academic asks questions that allow C line a character in his own book the chance to rail against convention and defend his idiosyncratic methods In the course of their outrageous interplay C line comes closer to defining and justifying his poetics than in any of his other novels But this is more than just an interview As the book moves forward Professor Y reveals his real identity and the characters travel through the streets of Paris toward a bizarre climax that parodies the author the critic and most of all the establishment

Louis-Ferdinand Celine Nicole Debie,1982 **Louis-Ferdinand Céline** ,1963 As part of Pegasos Kuunsankosken Kaupunginkirjasto of Finland presents a biographical sketch about the French novelist Louis Ferdinand Destouches 1894 1961 who used the pseudonym Louis Ferdinand Celine Destouches was also a physician Destouches wrote novels and pamphlets that expressed his views against Communism Some of Destouches works include Journey to the End of the Night 1932 Death on the Installment Plan 1932 and The Fine Mess 1941 **War** Louis-Ferdinand Céline,2024-07-09 In an incredible turn of events Louis Ferdinand C line as if declaiming from his grave thunders back to life that inimitable scorching and monstrosly powerful voice roars at us a new in this long lost novel C line had long claimed that Death on the Installment Plan was part of a trilogy and that the manuscripts of War and London had been stolen by the Resistance from his apartment when he fled for his life an abhorred collaborator from Paris Few believed him but then mysteriously the manuscripts came to light in 2020 Greeted rapturously in France a miracle Le Monde the discovery of a great text Le Point War is sure to be more controversy abroad Though much revered as the most blackly humorous and disenchanted voice in all of French literature London Review of Books C line is also reviled for his infamous antisemitic wartime pamphlets War begins with Ferdinand waking in shock on the battlefield grievously injured with all his comrades sprawled out dead around him it s a scene of visceral horror carnage and pain The novel s key idea that trench warfare lodges itself in the soldier s head forever goes on destroying him cuts him off from those who have not been on the front and makes the hypocrisies of their safe world repugnant drives itself under the reader s skin powered by the sheer velocity of C line s voracious gritty raw graphic style

Rigadoon Louis-Ferdinand Céline,1997 Often comic and always angry the first person autobiographical narrator with his wife and their cat in tow takes the reader with him on his flight from Paris to Denmark after finding himself on the losing side of World War II The train rides that encompass the novel are filled with madness and mercy as C line a physician aids refugees while ignoring his own medical needs C line s inventive style and black humor profoundly influenced many writers who came after him including Kurt Vonnegut Jack Kerouac William Burroughs Allen Ginsberg and Charles Bukowski As Kurt Vonnegut states in his introduction to this edition C line demonstrated that perhaps half of all experience the animal half had

been concealed by good manners No honest writer or speaker will ever want to be polite again **Voyage au bout de la nuit** Louis-Ferdinand Céline (Schriftsteller, Arzt),1977 *Death on Credit* Louis-Ferdinand Céline,1989 When Celine s first novel Journey to the End of the Night was first published in 1932 it created an instant scandal being extravagantly praised by its supporters and savagely attacked by its horrified opponents Four years later came the sequel Death on Credit **The Crippled Giant** Milton Hindus,1986 **Louis-Ferdinand Céline** David O'Connell,1976 **Journey to the End of the Night** Louis-Ferdinand Céline,2006-05-17 C line s masterpiece colloquial polemic hyper realistic boiling over with black humor C line s masterpiece colloquial polemic hyper realistic boils over with bitter humor and revulsion at society s idiocy and hypocrisy Journey to the End of the Night is a literary symphony of cruelty and violence that hurtles through the improbable travels of the petit bourgeois and largely autobiographical antihero Bardamu from the trenches of WWI to the African jungle to New York to the Ford Factory in Detroit and finally to life in Paris as a failed doctor Ralph Manheim s pitch perfect translation captures C line s savage energy and a dynamic afterword by William T Vollmann presents a fresh furiously alive take on this astonishing novel
