and Replace Adele Perry, Esyllt W. Jones, Leah Morton, 2013-06-01 Place and Replace is a collection of recent interdisciplinary research into Western Canada that calls attention to the multiple political social and cultural labours performed by the concept of place The book continues a long standing tradition of situating questions of place at the centre of analyses of Western Canada s cultures pasts and politics while making clear that place is never stable universal or static The essays here confirm the interests and priorities of Western Canadian scholarship that have emerged over the past forty years and remind us of the importance of Indigenous peoples dispossession and colonialism of migration race and ethnicity of gender and women s experiences of the impact of the natural and built environment and the impact of politics and the state
