Amy March in Alcott's *Little Women* As this book reveals she was much more than Amy she had a more significant impact on the Concord community than her sister and later became part of the creative expat community in Europe There she imbued her painting with the abolitionist activism she was exposed to in childhood and pursued an ideal of artistic genius that opposed her sister's vision of self sacrifice Embarking on a career that took her across London Paris and Rome Nieriker won the acclaim of John Ruskin and forged a network of expatriate female painters who changed the face of nineteenth century art creating opportunities for women that lasted well into the twentieth century A Renaissance woman Nieriker was a travel writer teacher and curator She is recovered here as a transdisciplinary subject who stands between disciplines networks and ideologies striving to recognize the dignity of others Contributors include foundational Alcott scholar Daniel Shealy and Pulitzer Prize winner John Matteson as well as Curators Jan Turnquist Orchard House and Amanda Burdan Brandywine River Museum of Art In this book readers will become acquainted with a dynamic feminist thinker who transforms our understanding of the place of women artists in the wider cultural and intellectual life of nineteenth century Britain France and the United States

*Henry James and the 'Woman Business'* Alfred Habegger, 2004-08-26 This is a historical critique of Henry James in relation to nineteenth century feminism and women's fiction Habegger has brought to light extensive new documentation on James's tangled connections with what was thought and written about women in his time The emphasis is equally on his life and on his fictions This is the first book to investigate his father's bizarre lifelong struggle with free love and feminism a struggle that played a major role in shaping James The book also shows how seriously he distorted the truth about the cousin Minnie Temple whose self assertive image inspired him and how indebted he was to certain American women writers whom he attacked in reviews but whose plots and heroines he appropriated in his own fiction
