*A Catechism for Family Life* Sarah Bartel, John S. Grabowski, 2018-08-29 The purpose of *A Catechism for Family Life* Insights from Catholic Teaching on Love Marriage Sex and Parenting is to present the teachings of the Catholic Church as they relate to specific questions in marriage and family life Many Catholics are under catechized and have trouble both understanding and articulating Church teaching on sexuality and marriage to an increasingly challenging culture Pope Francis along with the fathers of the two recent Synods on the Family have called for better formation for those who work in the area of marriage and family life see *Amoris Laetitia* 202 To address this need we gathered pertinent questions facing men women and pastoral workers in marriage and family life We then found passages relevant to these questions by researching Church documents on marriage and family from the past one hundred years These include papal encyclicals apostolic exhortations and addresses Vatican II documents and the Catechism of the Catholic Church Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life While the Catholic Church has developed a rich detailed and positive teaching on marriage family and sexuality many Catholics do not have access to this teaching buried as it is in lengthy Church documents which many find intimidating Finding the relevant teaching to address specific questions is not always a simple task either This book s main contribution is to present Church teaching relevant to marriage and family in one volume clearly organized by topic and question *Love & Family* Mercedes Arzú Wilson, 1996 This book displays the tools parents need to guide and protect their children by enriching their knowledge with the latest statistical evidence presented in simple to understand graphs *Sex Au Naturel* Patrick Coffin, 2010 *Sex Au Naturel* What It Is and Why It s Good For Your Marriage by radio host Patrick Coffin is a bracing ride across the landscape of the Catholic sexual ethic If you re looking for intellectual ammo with which to defend and explain the teaching of *Humanae Vitae* or if you reject it altogether you ll agree that Coffin approaches the topic from a wide array of new and persuasive angles With humor and enthusiasmand a total absence of moralizingyou ll learn Why Paul VI s landmark 1968 encyclical was widely rejected a generation ago and why it s gaining new respectability now Where exactly the Bible teaches against birth control The differences between contraception and natural family planning hint they re more profound than you think The meaning of the natural law and how it applies to birth control How the dogma of the Blessed Trinity implicit condemns birth control That every single Protestant denomination rejected birth control until 1930 Why the myth of overpopulation is used against the Church and how to answer it How faithful adherence to the teaching of *Humanae Vitae* is causally related to marital happiness and longevity Why it s not too late to start over even if you ve been sterilized How to rely on the ever present grace of God rather than your own strength in faithfully following this challenging life giving aspect of Christian discipleship Much much more *Sex and Virtue* John S. Grabowski, 2012-08-07 Grabowski offers a compelling rationale for the virtue of chastity that takes into account the sensibilities and challenges of the contemporary world Raymond Dennehy

Professor Emeritus University of San Francisco A welcome addition to an often contentious literature Sex and Virtue provides a theological foundation for consideration of the moral dimensions of human sexuality from a Roman Catholic perspective Catholic Books Review In the hope of contributing to the ongoing renewal of moral theology sparked by the Second Vatican Council John S Grabowski discusses the systemic application of biblical and virtue based categories on the topic of sexuality A number of issues are examined including the historical setting regarding attitudes and practices concerning sexuality key biblical historical and contemporary resources for articulating a virtue based approach to sexual ethics current issues with which such an approach must wrestle and some description of how to foster growth in moral virtue particularly chastity Ultimately Sex and Virtue offers a compelling vision of human sexuality in the light of Christian faith that can provide a viable alternative to dominant cultural ideologies that trivialize sex and concrete practices that can enable growth in moral freedom Sex and Virtue is a splendid result of Grabowski s response to the call of Vatican II to find scriptural support for Catholic moral teaching The ecumenical potential of this book is tremendous Christians can only marvel at the resources in scripture for establishing sexual morality a morality that puts sexuality in service of love life and salvation Janet E Smith former professor of moral theology Sacred Heart Major Seminary of Detroit Bioethics, Law, and Human Life Issues D. Brian Scarnecchia, 2010-06-02 Bioethics Law and Human Life Issues A Catholic Perspective on Marriage Family Contraception Abortion Reproductive Technology and Death and Dying draws on the Magisterial teaching of the Catholic Church to outline a Catholic response to a host of controversial issues related to human life Scarnecchia lays out a Catholic moral theology based on the writings of Pope John Paul II and Thomas Aquinas and he then applies those Christian moral principles to today s most contentious ethical issues including reproductive technology embryo adoption contraception abortion family and same sex marriage and euthanasia and assisted suicide This review of Catholic moral principles brings together an in depth consideration of the central human life issues of our day with abundant reference to the Church s social teaching and to contrasting positions of today s leading ethicists Faith Facts Leon J. Suprenant, 2004 Where did the Mass come from What is an annulment Where is heaven Is there salvation outside the Catholic Church In today s world Catholics must be ready at any moment to face unexpected questions about the teaching of the Church Faith Facts II is a valuable resource for anyone who needs answers on topics that are crucial to belief and evangelization Emmaus Road delivers another great resource on the Catholic faith It s a gold mine that helps save you time and effort it should be on every Catholic s bookshelf Z E ROMANOWSKY CRISIS Magazine **Conjugal Love and Procreation** Kevin Schemenauer, 2011-05-05 Dietrich von Hildebrand contributed to the Catholic tradition s increased recognition of conjugal love in marriage in the early twentieth century and as Kevin Schemenauer argues in Conjugal Love and Procreation von Hildebrand s work remains relevant to contemporary Catholic thought as well While some argue that this German Catholic philosopher and theologian neglected the role of procreation in marriage this book shows that von Hildebrand s writings on reverence and superabundant finality

contribute to a contemporary understanding of the significance of procreation within marriage Schemenauer analyzes von Hildebrand s integration of conjugal love and procreation showing him to be an insightful and parallel voice to the that of John Paul II His thorough exploration of von Hildebrand s writings reveals not only how conjugal love and openness to new life are essential to marriage but also how essential the role of procreation is to the conception of conjugal love

**The Contraception Deception: Catholic Teaching on Birth Control** Patrick Coffin, 2018-05-01 The Contraception Deception Catholic Teaching on Birth Control by author Patrick Coffin is a comprehensive assessment of the Church s sexual ethic In this expanded revised edition of Sex Au Naturel What It is and Why It s Good for Your Marriage Coffin demonstrates how the rejection of Humanae Vitae impacts more than just our national birthrates With relevant insight into the development and reception of Paul VI s landmark 1968 encyclical Coffin explains why Humanae Vitae is more timely than ever In The Contraception Deception you ll learn where exactly the Bible teaches against birth control the differences between contraception and natural family planning hint they re more profound than you think why other reproductive technologies fall short of God s vision for marriage and family and most importantly how to rely on the ever present grace of God rather than your own strength in faithfully following this challenging life giving aspect of Christian discipleship

**The Catholic World Report**, 1997 **Sex, Family, and the Culture Wars** Mark J. Cherry, 2017-07-05 Extraordinary social and moral shifts have taken place in Western societies Sex is no longer the exclusive province of husband and wife set within monogamous married family life The world is awash in sex advertising books magazines movies sex clubs internet pornography etc Parents traditionally responsible for guiding their children s moral and social development have been effectively side lined by commercial and governmental interests This volume pursues a detailed study of how changes in social life dating from the sexual revolution of the 1960s have affected the family Cherry shows that attempts to redefine the family away from the marital union of husband and wife come with real costs social emotional psychological and financial He argues that while political campaigns have fuelled attempts to undermine the traditional family to pretend it possesses no basic biological social or moral reality such ideologically driven undertakings are injurious to society Acting as if there are no consequential differences between traditional marriage and other sexual lifestyles ignores significant data demonstrating the importance of the traditional biological family to the well being of men and women and the successful raising of children The family possesses a biological and moral being that is foundational an essential building block of society Cherry argues that the family is the most incontrovertible field of conflict in the culture wars others might conclude that it is the decisive
