 intimate as a married couple      *Recovery from Anger Addiction* Verryl V. Fosnight, 2016-03-29 This Book Presents a  
 Paradigm Shift About Toxic Anger Anger Is An Addiction Using the wisdoms of John Bradshaw Pia Mellody Claudia Black  
 Alice Miller and many other recovery giants Verryl grew to understand himself in the context of his past traumas He was  
 finally able to apply all the theories of these authors to heal his anger and rage This expansion of theory to the emotion of  
 toxic anger results in a revolutionary new concept of anger as an addiction This paradigm shift empowers a person to recover  
 from rage as an ill person seeking to be well as opposed to a bad person trying to act better Telling yourself you are a bad  
 person is a self defeating message to your inner self but an ill person can get well He presents this new simple and  
 enlightened treatment for anger in easy to follow language Ultimately these conclusions are illustrated as a set of simple  
 diagrams that outline the full path of anger's development starting from the core emotion of pain from early losses through  
 raging behavior that is life damaging Using the revolutionary model of anger as an addiction he demonstrates that anger can  
 be healed There is no need to rationally manage toxic anger while remaining a bad person Toxic anger practically evaporates  
 as an emotional impulse as the underlying pain is resolved in the good but ill person Included Research survey paper on  
 Anger Management classes by Desiree Harris M C      *Courtship, Marriage and Marriage Breakdown* Katie Barclay, Jeffrey  
 Meek, Andrea Thomson, 2019-10-28 This book explores the history of marriage and marriage like relationships across five  
 continents from the seventeenth century to the present day Across fourteen chapters leading marriage scholars examine how  
 the methodologies from the new history of emotions contribute to our understanding of marriage seeking to uncover not only  
 personal feeling but also the political and social implications of emotion They highlight how marriage as an institution has  
 been shaped not just by law and society but also by individual and community choices desires and emotional values  
 Importantly they also emphasize how the history of non traditional and same sex relationships and their emotions have long  
 played an important role in determining the nature of marriage as an institution and emotional union In doing so this  
 collection allows us to rethink both the past and present of marriage destabilizing a story of a stable institution and opening
