Love Bears All Things William Treacy, 1994-04 Irish Priests in the United States William L. Smith, 2004-06-14 This book is the beginning of a much needed discussion about the experiences and beliefs of Irish priests It provides a cultural analysis of these men including the diverse and oftentimes contradictory sides they find themselves on regarding philosophical theological and pastoral issues **The Sacred Cauldron** Lionel Corbett, 2011 At a time when psychotherapy seems to be a purely secular pursuit with no connection to the sacred The Sacred Cauldron makes the startling claim that for both participants psychotherapeutic work is actually a spiritual discipline in its own right The psyche manifests the sacred and provides the transpersonal field within which the work of therapy is carried out This book demonstrates some of the ways in which a spiritual sensibility can inform the technical aspects of psychotherapy The Sacred Cauldron is truly a book to be read by both therapists and non therapists for it offers a thoughtful intelligent sensitive passage through the spiritual guarrels and complexities of our time and addresses our common summons which is to treat the life of the spirit with the respect the gravity and the centrality it deserves This book is instructive to all for Corbett not only marshals a wealth of scholarship and clinical experience but also expresses challenging insights through a calm reasonable and commonsense appeal After this book the reader will be more thoughtful more considered more sophisticated more appreciative of the importance of therapy as a vehicle for healing and for engaging the numinous James Hollis Ph D Jungian analyst and author of What Matters Most Living a More Considered Life Dr Lionel Corbett trained in medicine and psychiatry in England and as a Jungian analyst at the C G Jung Institute of Chicago He is currently on the core faculty of Pacifica Graduate Institute in Santa Barbara California and the author of The Religious Function of the Psyche and Psyche and the Sacred as well as various professional articles His main interest is in the religious function of the psyche and the ways in which this function expresses itself through the structures of personality Bridging Two Eras Emily Newell Blair, 1999 Because Blair s life essentially spanned two eras from the end of the nineteenth century through the middle of the twentieth she thought of herself as a bridge builder A dedicated feminist she wanted her autobiography to help women understand what life was like during that transition time She had moved from being a conventional middle class midwestern wife and mother to becoming an acclaimed author a nationally known feminist and vice chairman of the Democratic National Committee only two years after women gained the right to vote She felt that her story could encourage women to take their rightful places in public life *Ի*Սորհեր եւ հուշեր Vahan H.
