## **Love Between Men In English Literature:**

**Love Between Men in English Literature** Paul Hammond, 1996 This is the first book to provide an account of the representation of emotional and sexual relationships between men across English literature from the Renaissance to the modern period Based on new research but aimed at the student and the general reader Paul Hammond discusses major writers such as Marlowe and Shakespeare Tennyson and Wilde Forster and Lawrence but also introduces less familiar texts which cast light on the homosexual culture of their periods There is an extensive bibliography

**Figuring Sex Between Men from Shakespeare to Rochester** Paul Hammond, 2002 Includes discussion of the Sonnets Twelfth night and The merchant of Venice

Encyclopedia of the Romantic Era, 1760-1850 Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism

Texts and Cultural Change in Early Modern England Cedric C. Brown, Arthur F. Marotti, 1997-12-13 This is a wide ranging closely researched collection written by scholars from both sides of the Atlantic on the cultural placement and transmission of texts between 1520 and 1750 Material and historical conditions of texts are analysed and the range of works is wide including plays and the Lucrece of Shakespeare with adaptations and a discussion of reading playtexts Sidney s Arcadia Greene s popular Pandosto both discussed in the contexts of changing readerships and forms of fiction Hakluyt s travel books funerary verse and the writings of Katherine Parr and Elizabethan Catholic martyrs

*A History of Gay Literature* Gregory Woods, 1998-01-01 Account of male gay literature across cultures and languages and from ancient times to the present It traces writing by and about homosexual men from ancient Greece and Rome through the Middle Ages and Renaissance to the twentieth century gay literary explosion It includes writers of wide ranging literary status from high cultural icons like Virgil Dante Marlowe Shakespeare and Proust to popular novelists like Clive Barker and Dashiell Hammett and of various locations from Mishima s Tokyo and Abu Nuwas s Baghdad to David Leavitt s New York It also deals with representations of male male love by writers who were not themselves homosexual or bisexual men

**Embodying Asian/American Sexualities** Gina Masequesmay, Sean Metzger, 2009-01-16 This book is conceived as a reader for use in American studies Asian American studies ethnic studies gender studies lesbian gay bisexual transgender studies performance studies and queer studies It also contains new scholarship on Asian American sexualities that would be useful for faculty and students In particular this volume highlights materials that receive little academic attention such as works on Southeast Asian migrants mixed race cultural production and Asian American pornography As an interdisciplinary anthology this collection weaves together various forms of knowledge \_autobiographical accounts

humanistic research community based work and artistic expression Responsive to the imbrication of knowledge and power the authors aspire to present a diverse sample of discourses that construct Asian American bodies They maintain that the body serves as the primary interface between the individual and the social yet as Elizabeth Grosz noted over a decade ago feminist theory and gender and sexuality studies more generally has tended with some notable exceptions to remain uninterested in or unconvinced about the relevance of refocusing on bodies in accounts of subjectivity This volume attempts to address this concern

*Key Concepts in Literary Theory* Julian Wolfreys, 2013-12-11 A must have guide students of literary and critical studies wishing to improve their writing skills Presents definitions of the most significant terms and concepts currently used in psychoanalytic poststructuralist Marxist feminist and postcolonial l

Modernism, Sex, and Gender Celia Marshik, Allison Pease, 2018-10-04 Modernism Sex and Gender is an up to date and in depth review of how theories of gender and sexuality have shaped the way modernism has been read and interpreted from its inception to the present day The volume explores four key aspects of modernist literature and criticism that have contributed to the new modernist studies women s contributions to modernism masculinities sexuality and the intersection of gender and sexuality with politics and law Including brief case studies of such writers as May Sinclair and Radclyffe Hall this book is a valuable guide for those looking to understand the history of critical thought on gender and sexuality in modernist studies today

**Christopher Marlowe** Richard Wilson, 2014-07-15 Christopher Marlowe has provoked some of the most radical criticism of recent years There is an elective affinity it seems between this pre modern dramatist and the post modern critics whose best work has been inspired by his plays The reason suggested by this collection of essays is that Marlowe shares the post modern preoccupation with the language of power and the power of language itself As Richard Wilson shows in his introduction it is no accident that the founding essays of New Historicism were on Marlowe nor that current Queer Theorists focus so much on his images of gender and homosexuality Marlowe staged both the birth of the modern author and the origin of modern sexual desire and it is this unique conjunction that makes his drama a key to contemporary debates about the state and the self from pornography to gays in the military Gay Studies Cultural Materialism New Historicism and Reader Response Criticism are all represented in this selection which the introduction places in the light not only of theorists like Althusser Bataille and Bakhtin but also of artists and writers such as Jean Genet and Robert Mapplethorpe Many of the essays take off from Marlowe s extreme dramatisations of arson cruelty and aggression suggesting why it is that the thinker who has been most convincingly applied to his theatre is the philosopher of punishment and pain Michel Foucault Others explore the exclusiveness of this all male universe and reveal why it remains so offensive and impenetrable to feminism For what they all make disturbingly clear is Marlowe s violent untamed difference from the clichés and correctness of normative society

**The Literature of Lesbianism** Terry Castle, 2003 Since the Renaissance countless writers have been magnetized by the notion of love between women This anthology registers that fact in as encompassing and enlightening a way as

possible Castle explores the emergence and transformation of the idea of lesbianism **American Homo** Jeffrey Escoffier, 2018-10-02 A sweeping account of the way lesbian gay and bisexual people have challenged and changed society In this provocative book Jeffrey Escoffier tracks LGBT movements across the contested terrain of American political life where they have endured the historical tension between the homoeroticism coursing through American culture and the virulent periodic outbreaks of homophobic populism Escoffier explores how every new success enables a new disciplinary and normalizing form of domination only the active exercise of democratic rights and participation in radical coalitions allows LGBT people to sustain the benefits of community and the freedom of sexual perversity **Old Stories, New Readings** Miriam López-Rodríguez, Alfonso Ceballos Muñoz, Inmaculada Pineda-Hernández, 2015-02-27 Whether imaginary or based on real events stories are at the core of any culture Regardless of their length their rhetoric strategies or their style humans tell stories to each other to express their innermost fears and needs to establish a point within an argument or to engage their listeners in a fabricated composition Stories can also serve other purposes such as being used for entertainment for education or for the preservation of certain cultural traits Storytelling is at the heart of human interaction and as such can foster a dialogic narrative between the person creating the story and their audience In literature this dialogue has been traditionally associated with narrative in general and with the novel in particular However other genres also make use of storytelling including drama This volume explores the ways in which American theatre from all eras deals with this how stories are told onstage what kinds of stories are recorded in dramatic texts and how previously neglected realities have gained attention through the American playwright s telling or retelling of an event or action The stories unfolded in American drama follow recent narratology theories particularly in the sense that there is a greater preference for those so called small stories over big stories Despite the increase in the production of this type of texts and the growing interest in them in the field of narratology small stories are literary episodes that have been granted less critical attention particularly in the analysis of drama As such this volume fills a void in the study of the stories presented on the American stage **Edward Carpenter and Late Victorian Radicalism** Tony Brown, Thomas N. Corns, 2013-08-21 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company **Re-reading the Constitution** James Vernon, 1996-11-13 A re examination of the debates over the meaning of the English constitution first published in 1996 *Sexuality and the Culture of Sensibility in the British Romantic Era* C. Nagle, 2007-11-12 This is the first study to fully trace the influence of Sensibility on British Romanticism Sensibility continually found new forms of expression in the late Eighteenth and early Nineteenth century Nagle explores how it coexisted and intermingled with Romanticism and revises the traditional narratives of literary periodization of this era Ideology and Desire in Renaissance Poetry Ronald Corthell, 1997 Each chapter explores the interrelationships of representation identification and desire while the book as a whole gradually shifts in emphasis from new historicist concerns with representation and the social realm toward psychoanalytic themes of identification desire and

inwardness      **Sex in Antiquity** Mark Masterson, Nancy Sorkin Rabinowitz, James Robson, 2018-02-05 Looking at sex and sexuality from a variety of historical sociological and theoretical perspectives as represented in a variety of media Sex in Antiquity represents a vibrant picture of the discipline of ancient gender and sexuality studies showcasing the work of leading international scholars as well as that of emerging talents and new voices Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections Sex in Antiquity is a major contribution to the field of ancient gender and sexuality studies      **Queer Sinophone Cultures** Howard Chiang, Ari Larissa Heinrich, 2013-11-26 The Sinophone framework emphasises the diversity of Chinese speaking communities and cultures and seeks to move beyond a binary model of China and the West Indeed this strikingly resembles attempts within the queer studies movement to challenge the dimorphisms of sex and gender Bringing together two areas of study that tend to be marginalised within their home disciplines Queer Sinophone Cultures innovatively advances both Sinophone studies and queer studies It not only examines film and literature from Mainland China but expands its scope to encompass the underrepresented Sinophone world at large in this case Taiwan Hong Kong Malaysia Singapore and beyond Further where queer studies in the U S Europe and Australia often ignore non Western cultural phenomena this book focuses squarely on Sinophone queerness providing fresh critical analyses of a range of topics from works by the famous director Tsai Ming Liang to the history of same sex soft core pornography made by the renowned Shaw Brothers Studios By instigating a dialogue between Sinophone studies and queer studies this book will have broad appeal to students and scholars of modern and contemporary China studies particularly to those interested in film literature media and performance It will also be of great interest to those interested in queer studies more broadly      **Sex, Soldiers and the South Pacific, 1939-45** Yorick Smaal, 2015-08-04 Sex Soldiers and the South Pacific 1939 45 explores the queer dynamics of war across Australia and forward bases in the south seas It examines relationships involving Allied servicemen civilians and between the legal and medical fraternities that sought to regulate and contain expressions of homosex in and out of the forces      **From Sappho to De Sade (Routledge Revivals)** Jan N. Bremmer, 2014-06-27 The history of sexuality has been the subject of increased interest in recent years and more widely acknowledged importance in the interpretation of past mentalities Yet historians have only recently begun to study sexual practices in any depth establishing that sexuality is not a biological constant but an ever changing phenomenon continuously shaped by people themselves The contributors to this interdisciplinary collection bring their expertise in ancient as well as medieval history anthropology modern history and psychology to bear upon the history of sexuality They explore various aspects of sexuality in successive periods pederasty and

lesbian love in antiquity incest in the Middle Ages sexual education during the Dutch Republic voyeurism in the rococo prostitution in Vienna around 1900 and the invention of sexology From Sappho to De Sade first published in 1989 offers an informative and entertaining collection of essays for students of cultural anthropology social history and gender studies
