The Love Israel Family Charles Pierce LeWarne,2015-07-21 Winner of the Malstrom Award of the League of Snohomish County Historical Organizations In 1968 a time of turbulence and countercultural movements a one time television salesman named Paul Erdmann changed his name to Love Israel and started a controversial religious

commune in Seattle's middle class Queen Anne Hill neighborhood. He quickly gathered a following and they too adopted the Israel surname along with biblical or virtuous first names such as Honesty, Courage, and Strength. The burgeoning Love Israel Family lived a communal lifestyle centered on meditation and the philosophy that all persons were one and life was eternal. They flourished for more than a decade, owning houses and operating businesses on the Hill, although rumors of drug use, control of members, and unconventional sexual arrangements dogged them. By 1984, perceptions among many followers that some Family members, especially Love Israel himself, had become more equal than others led to a bitter breakup in which two-thirds of the members defected. The remaining faithful, about a hundred strong, resettled on a ranch; the Family retained near the town of Arlington, Washington, north of Seattle. There they recouped and adapted with apparent social and economic success for two more decades. In *The Love Israel Family*, Charles LeWarne tells the compelling story of this group of idealistic seekers whose quest for a communal life grounded in love, service, and obedience to a charismatic leader foundered when that leader's power distanced him from his followers. LeWarne followed the Family for years, attending its celebrations and interviewing the faithful and the disaffected alike. He tells the Family's story with both sympathy and balance, describing daily life in the urban and later the rural communes and explaining the Family's deeply felt spiritual beliefs. *The Love Israel Family* is an important chapter in the history of communal experiments in the United States. — Elspeth J. Crawford Scott, 1880

Why Kids Love (and Hate) School Steven P. Jones, Eric C. Sheffield, 2018-06-13 This collection consists of theoretical discussions, personal reflections, research reports, and policy suggestions sourced in the experiences of our most vulnerable students, with an eye to making schools places all students might love rather than hate. The essays take up these issues from the perspectives of poverty, gender, race, ethnicity, ability, language, and religion, among others. These essays also provide practical advice for teachers and administrators, both practicing and pre-service, for making classrooms and schools spaces that would encourage our students to say, "I love school." Perfect for courses in Introduction to Education, General Methods, Social Foundations of Education, Diversity Management, Assessment, Philosophy of Education, Sociology of Education, Educational Research, Educational Administration, Leadership, Teacher Leadership, Curriculum Theory, and Curriculum Development. — *Old Tractors and the Men Who Love Them: How to Keep Your Tractors Happy and Your Family Running* Roger L. Welsch, 1995 — **The subject of love** Sal Renshaw, 2013-07-19 *The Subject of Love* Hélène Cixous and the Feminine Divine is about abundant, generous other regarding love. In the history of Western ideas of love, such a configuration has been inseparable from our ideas about divinity and the sacred, often reserved only for God and rarely thought of as a human achievement. This book is a substantial engagement with her philosophies of love, inviting the reader to reflect on the conditions of subjectivity that just might open us to something like a divine love of the other. Renshaw follows this thread in this genealogy of abundant love: the thread that connects the subject of love from 5th century B.C.E. Greece and Plato to the 20th century Protestant theology of agapic love of Anders Nygren to the late 20th century poetico philosophy of Hélène Cixous.
