Love & Light Clayton Tylor, 2017-05-20 This book examines Swedenborg s spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and

light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth Love is Not Love Jon Reagan,2025-07-29 Love Is Not Love Contending for a Pure Gospel in a Compromised Church delivers a bold defense of biblical truth in an era of theological compromise With passion and clarity author Jon Reagan exposes how progressive ideologies have infiltrated the modern church weakening its witness and distorting its message From scriptural misinterpretations to cultural accommodations Reagan offers both historical context and urgent warnings while pointing readers back to the unshakable authority of God s Word Whether you re wrestling with current church trends or seeking a return to sound doctrine this book challenges believers to stand firm in truth and rediscover the love of God through a biblical lens *Shine Love, Joy, and Peace!* Evangeline Mendez Stefan,2024-08-13 MY DAUGHTER TAKE THE CHILD WHERE SHE S MADE Three days after a young mother gave birth to her firstborn daughter she and her husband were informed by one of America s top Cardiothoracic surgeons that the baby s heart did not form properly As of December 8 2002 there was no known fix for her baby s condition Shine Love Joy and Peace is a true and startling modern account of divine intervention from heaven as a mother and a father search across America to save their daughter s life instead it became a journey of hope compassion mercy forgiveness and acceptance of the inevitable encounter of lifesaving grace of death and resurrection *Love Is Stronger Than Death* Cynthia Bourgeault,2001 A guidebook for all who are called to the path of conscious love This powerful book written by an Episcopal priest tells of her intense relationship with Brother Raphael Robin a seventy year old Trappist monk and hermit Deeply enriched by Bourgeault s knowledge of the teachings of G I Gurdjieff and of Christian mysticism their vibrant provocative beautifully written story adds a profound new dimension to our understanding of human love and the possibility of survival beyond the grave **Liturgy Or Book of Worship, for the Use of the New Church Signified by the New Jerusalem** General Convention of the New Jerusalem in the United States of America,1872 *Love Is Stronger Than Death* Peter Kreeft,2011-04-06 In one of his most penetrating books Kreeft ponders the meaning of a terminal illness we all have death The three vital questions of Life Death and God are approached through a variety of human experiences Kreeft s book is a new statement of the Christian vision the meaning of our existence and of death is the fulfillment of our deepest desire for the infinite joy and love of God *Love is a Flame of the Lord* Walter J. Burghardt,1995 In several ways the present set of homilies continues an approach to preaching apparent in the more recent of my collections which the Paulist Press has graciously presented to the public First there is an ongoing struggle with Scripture Three sets of such responsibilities cover the gamut of human living 1 Love God above all else 2 Treat every man woman and child like another self 3 Touch the earth the nonhuman with unfailing reverence Love is Green: Compassion

as responsibility in the ecological emergency Lucy Weir,2020-01-31 This book links three themes non dualistic agency the good of systems and compassionate attunement and relates them to the ecological emergency The author begins by examining how we currently understand our ability to choose what we do our agency and conclude that this is dualistic we think of an action to do and then we physically act Yet an understanding that we are enmeshed in context means our capacity to act freely dissolves in the mesh We evolved capacities for consciousness and awareness capacities that allow us to realise that we are here now but that do not inevitably imply choice Our capacity for realisation gives us the ability to elicit an emotional response When we understand our enmeshment we can attune to a deep compassion for ourselves and indeed for all systems unfolding through time Compassionate attunement allows a different set of options for action to become available to us This then shifts how we respond to ourselves our human relationships and to the ecological emergency we are currently embroiled in This work is inspired by the great Kamakura Zen Master Eihei D gen The book s contribution is to extend and link the notion of practice realisation with the literature on evolutionary biology and entropy maximisation which allows us to speak of the good of systems Systems unfold as good for us when biodiversity maximisation occurs By considering the ecological emergency in light of compassionate attunement we open ourselves to a new array of possibilities for action Some of these the author outlines in the conclusion relating them to existing literature on compassionate achievement and compassionate communication to show how our this practice shifts our relationship to ourselves to one another and to the ecological emergency thus changing the course of human history

Seeing the Spiritual Reasons Behind the Negativity Jem Amber Stone,2015-09-03 Seeing the Spirituality behind the Negativity started off as a personal type of diary of channeled material for me and my family My son especially was interested in what I did and would put questions to me that I answered by automatic writing This is done by tuning into frequencies like a radio a channeled voice s that would tell me what to write Sometimes the information came so fast I had to approximate the word they told me In other words some of the time I filtered what was told to me so that the information is as close as can be After a while I started asking my own personal questions about my life and what I was going through and at other times I asked about spiritual and even sought out who were the aliens I again had experienced Eventually my writing revealed further information about controversies such as major events that changed the world In the end I decided if my book could help other people then why not have it published It is not unique as there have been others such as David Icke PTAah and Seth material Rather I think my book validates other channeled books Even if the book is read as fiction as long as

it has been entertaining or even thought provoking then my goal of publishing it has been accomplished
