Love Is My Reason:

Love, Reason and Morality Katrien Schaubroeck, Esther Kroeker, 2016-07-28 This book brings together new essays that explore the connection between love and reasons The observation that considerations of love carry significant weight in the deliberative process opens up new perspectives in the classic discussion about practical reasons and gives rise to many interesting questions about the nature of love's reasons about their source and legitimacy about their relation to moral and epistemic reasons and about the extent to which love is sensitive to reasons The contributors to this volume orient questions related to love within the broader context of the contemporary discussion on practical reasons and move forward the conversation about the normative dimensions of love Love Reason and Morality will be of interest to philosophers working on issues of normativity meta ethics and moral psychology and especially those interested in the source of practical reasons and the role of attachments in practical deliberation

New Philosophical Essays on Love and Loving Simon Cushing, 2021-09-20 New philosophical essays on love by a diverse group of international scholars Topics include contributions to the ongoing debate on whether love is arational or if there are reasons for love and if so what kind the kinds of love there may be between humans and artificial intelligences between non human animals and humans whether love can explain the difference between nationalism and patriotism whether love is an necessary component of truly seeing others and the world whether love like free will is fragile and may not survive in a deterministic world and whether or not love is actually a good thing or may instead be a force opposed to morality Key philosophers discussed include Immanuel Kant Iris Murdoch Bernard Williams Harry Frankfurt J David Velleman Niko Kolodny Thomas Hurka Bennett Helm Alfred Mele and Derk Pereboom Essays also touch on the treatment of love in literature and popular culture from Graham Greene's The End of the Affair to Spike Jonze's movie her

The Rationality of Love Hichem Naar, 2022-10-03 Love has been the subject of much fascination It is indeed one of those things which elude us in many ways The long lasting disagreement over love's nature is unsurprising In light of this a piecemeal approach to love is in order Instead of asking what love is down the line we might need to investigate its various features and its connection to other things The Rationality of Love addresses the question whether love belongs paradoxically enough to the realm of reason whether love belongs to the class of responses such as belief and action that admit of norms of justification and rationality Are there normative reasons to love someone Can it be an appropriate or fitting response to an individual Can it be rational Or is love like perceptual experiences sensations and urges the sort of thing we just have and for which we cannot be rationally criticizable Hichem Naar provides a sustained defense of the rationality of love There are reasons to love others reasons provided by the unique value of each individual This will in turn rule out popular accounts of love which deny love's rationality and vindicate those accounts that make room for it Drawing on various domains of philosophical inquiry such as the philosophy of mind the philosophy of normativity and epistemology Naar provides a careful assessment of the various positions in the debate over reasons for love and develops his

own answer to the normative question about love Shakspere's Werke Shakespeare,1876 **Shakespeare, Sex, and Love** Stanley Wells,2010-04-08 How does Shakespeare s treatment of human sexuality relate to the sexual conventions and language of his times Pre eminent Shakespearean critic Stanley Wells draws on historical and anecdotal sources to present an illuminating account of sexual behaviour in Shakespeare s time particularly in Stratford upon Avon and London He demonstrates what we know or can deduce of the sex lives of Shakespeare and members of his family He also provides a fascinating account of depictions of sexuality in the poetry of the period and suggests that at the time Shakespeare was writing most of his non dramatic verse a group of poets catered especially for readers with homoerotic tastes The second part of Shakespeare Sex and Love focuses on the variety of ways in which Shakespeare treats sexuality in his plays and at how he relates sexuality to love Wells shows that Shakespeare s attitude to sex developed over the course of his writing career and devotes whole chapters to The Fun of Sex to how he raises laughter out of the matter of sex in both the language and the plotting of some of his comedies portrayals of sexual desire to Romeo and Juliet as the play in which Shakespeare focuses most centrally on issues relating to sex love and the relationship between them to sexual jealousy traced through four major plays Sexual Experience and Whores and Saints A final chapter Just Good Friends examines Shakespeare s rendering of same gender relationships *Love and Labor* Doris B Murphy,2006-11 The author was the spouse of the head of San Francisco Hod Carriers local 36 union **XVI Revelations of Divine Love** Julian (of Norwich),1902 The Works of William Shakespeare William Shakespeare,1898 *Love's Vision* Troy Jollimore,2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In Love s Vision Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love s moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato s Symposium love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love s blindness does not undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love s Vision is an original examination of a subject of vital philosophical and human concern Faith at State Rick Kennedy,2002-02-28 **Commedia and Canzoniere** Dante Alighieri,1887 **Justice in Love** Nicholas Wolterstorff,2015-05-15 **Life, Heart, and Soul** Amanda Jayne Gilmer,2022-12-11 This book aims to show that there is more to author Amanda Jayne than mental health Whether it is her personal experience or experience in general It explores her spirituality and faith as a commentator on social issues as a

protagonist of love and places she has cherished The book is her first three former books which were published in 2014 brought together to form one larger book Repackaged edited and brought up to industry standard The book aims to showcase her skills as a diverse and skilled poet covering many different topics **Catalog of Copyright Entries** Library of Congress.
