 edition now available in individual volumes The Love of God Lee Kah Wor, 2021-09-21 This e Booklet is about what I have
 understood from the sermons by Pastors Lim Lian Neo and Lawrence Lim Fong Boon of New Creation Church on 12 and 19
 September 2021 respectively I received a new perspective on repentance from the sermon by Pastor Lian Align the visions of
 myself with that of God In other words a renewal of my thought life My feet follows my mind Hence right believing leads to
 right living The power to not be conformed to the world but transformed by God is through the renewal of the mind a k a
 repentance Romans 12 2 I am who God said I am I have what God said I have What constantly occupies my mind dominates
 my life Sin will not have dominion over me when my mind is dominated by the love of God Romans 6 14 From the sermon of
 Pastor Lawrence I saw the essence of Nehemiah Chapter 9 captured by just one New Testament verse Romans 5 8 Indeed
 the Old is the New concealed and the New is the Old revealed Romans 5 8 encapsulated the love mercy and grace of God the
 loving Father We inherit the promises of God through faith and patience Hebrews 6 12 Jesus the Christ is faithful in carrying
 out and fulfilling all the promises of God 2 Corinthians 1 20 Living Bible For that reason Jesus is the Author and Finisher of
 faith Hebrews 12 2 Patience produces strength of character in us Romans 5 4 James 1 4 God is more interested in the
 development of our inner self to enjoy all His goodness for all eternity It is a process that takes time The power to complete
 the regime is in the love of God for us Romans 5 5 God the Potter is not in a hurry to create a masterpiece out of the lump of
 clay Then why should the lump of clay be in haste It is hazy to be hasty Let the love of God be our anchor of confident and

expectant hope The contents of this booklet are in no way affiliated to or endorsed by NCC nor the pastors It is my way of sharing the Gospel as the recipient of God's love, mercy and grace Freely have I received, freely I give Let all glory redound to our Lord Jesus Christ

Gandhi's Dilemma NA NA, 2016-04-30 Throughout his long career as a political thinker and activist Mahatma Gandhi encountered the dilemma of either remaining faithful to his nonviolent principles and risking the failure of the Indian nationalist movement or focusing on the seizure of political power at the expense of his moral message Putting forward his vision of a nonviolent nationalism Gandhi argued that Indian self rule could be achieved without sacrificing the universalist imperatives of his nonviolent philosophy Conceived as a study in the history of political thought this book examines the origins, meaning and unfolding of Gandhi's dilemma as it played itself out in both theory and political practice This discussion is inextricably linked to significant and timely issues that are critical for the study of nationalism for Gandhi's vision raises the important question of whether it is indeed possible to construct a benign type of nationalism that is rooted in neither physical nor conceptual forms of violence

Brian Tucker, Aaron Kuecker, 2020-02-20 The T & T Clark Social Identity Commentary on the New Testament is a one of a kind comprehensive Bible resource that highlights the way the NT seeks to form the social identity of the members of the earliest Christ movement By drawing on the interpretive resources of social scientific theories especially those related to the formation of identity interpreters generate new questions that open fruitful identity related avenues into the text It provides helpful introductions to each NT book that focus on various social dimensions of the text as well as a commentary structure that illuminates the text as a work of social influence The commentary offers methodologically informed discussions of difficult and disputed passages and highlights cultural contexts

in theoretically informed ways drawing on resources from social anthropology historical sociology or social identity theory The innovative but careful scholarship of these writers most of whom have published monographs on some aspect of social identity within the New Testament brings to the fore often overlooked social and communal aspects inherent in the NT discourse The net result is a more concrete articulation of some of the every day lived experiences of members of the Christ movement within the Roman Empire while also offering further insight into the relationship between existing and new identities that produced diverse expressions of the Christ movement during the first century The SICNT shows that identity formation is at the heart of the NT and it offers insights for leaders of faith communities addressing these issues in contemporary contexts
