**Love Prodigal** Traci Brimhall, 2024-11-19 Amidst cycles of heartbreak trauma and chronic pain Love Prodigal finds strength in the natural world motherhood desire and new love Fiercely self aware and utterly present tense Traci Brimhall's Love Prodigal lives in the messiness of starting over As Brimhall grieves a divorce and a new diagnosis cycles of loss

heartbreak family trauma and chronic illness appear There is an urge to detach to go numb Yet pain is always returned as a gift the beautiful vulnerability of feeling In conversation with Da Vinci Shakespeare and Bachelard images of the phoenix appear throughout the collection its metaphor promises an easy and endless cycle of rebirth a forever life forever alone Brimhall rejects this idea instead reaching for the slow messy and imperfect process of healing When the body becomes a site the poet cannot live in or leave she finds strength in the beauty of the natural world in motherhood in desire in new love in a thousand small pleasures that made her want to live Told through various forms aubades a prose crown of sonnets an admissions essay Love Prodigal says yes to second and third and fourth chances The heart gets bigger every time it heals
