Cass,1823 Religious Affections Jonathan Edwards,2009-01-01 This volume contains Edwards most mature and persistent attempt to judge the validity of the religious development in eighteenth century America known as the Great Awakening In developing criteria for such judgment he attacked at the same time one of the fundamental questions facing all religion how to distinguish genuine from spurious piety The Awakening created much bitter controversy on the one side stood the emotionalists and enthusiasts and on the other the rationalists for whom religion was essentially a matter of morality or good conduct and the acceptance of properly formulated doctrine Edwards with great analytical skill and enormous biblical learning showed that both sides were in the wrong He attacked both a lifeless morality as too pale as to be the essence of religion and he rejected the excesses of a purely emotional religion more concerned for sensational effects than for the inner transformation of the self which was for him the center of genuine Christianity *A commentary on 1 & 2 PETER* David Pawson,2017-04-01 These two letters were written by the man who tried to persuade Jesus not to be crucified also wanted to erect three shrines on a mountain top for Moses Elijah and Jesus also was targeted by Satan to be sifted separated from the other disciples and whose self confident loyalty was shattered three times within twenty four hours But he had a special place on his Lord s prayer list which was undoubtedly a major cause of his transformation from a reed Simon into a rock Peter which enabled him to be the first pastor not pope of the church and the first preacher of the gospel after Pentecost This high calling qualified him to protect both the church from the persecution outside and the gospel from the corruption inside That is why his first epistle majors on suffering and the second on backsliding the latter containing the clearest warning against once saved always saved complacency His boldness led to his own crucifixion upside down at his own request Bear this in mind as you read both his pastoral letters **Friends' Intelligencer** ,1857 But We See Jesus Stephen Kaung,2015-07-03 Christianity is Jesus Christ It is not the teaching doctrine system or organization of Christ Rather it is Jesus Christ himself We need to see Him as God sees Him Yet this can only come about by revelation from above The Holy Spirit will reveal Jesus to us And when we do see Him as God sees Him we will fall down and worship Such then is the intent of this series of messages whose overarching theme is best summed up in the author s choice of title to the entire series But We See Jesus Hebrews 2 9a All nineteen messages were delivered by the author before a Christian audience in Richmond Virginia over a three year period commencing in the year 1992 May God use this volume to inspire His people to see the Savior and Lord we have so that we may truly worship Him with all our hearts and love Him with all our heart mind will and strength Jesus alone is worthy The Jesus Command Matthew Milam II,2014-09-04 Take my yoke upon you and learn from me Matthew 11 29 NIV Any image no matter what kind is simply a rendition of the original the copy must follow the impression made by the master In unlocking the pattern of making a True Disciple a close and detailed study of Jesus the master must be considered Discipleship is an important charge carrying a great responsibility When entering the task of preparing another as a disciple heed should be taken Care and caution play a big part in the equation In both instances

whether one serves as instructor or student as Jesus said one must above all consider the cost Suppose one of you wants to build a tower Won t you first sit down and estimate the cost to see if you have enough money to complete it Luke 14 28 NIV Rather than being an event that one arrives at Discipleship is more of a journey that is traveled over the course of one s life Each step is part of a process by which we adapt learning to grow more Christ like along the way We take His yoke and learn from Him just as the men who became His Apostles did the cost necessary involves not only a loving devotion to Jesus but to do so from a willing and obedient heart the Jesus Command the command to love one another as He loved us creates a new beginning for everyone that accepts it Earliest Christianity within the Boundaries of Judaism Alan Avery-Peck,Craig A. Evans,Jacob Neusner,2016-02-02 Twenty two essays written by top scholars in the fields of early Christianity and Judaism focus on methodological issues earliest Christianity in its Judaic setting Gospel studies and history and meaning in later Christianity These essays honor Bruce Chilton recognizing his seminal contribution to the study of earliest Christianity in its Judaic setting Chilton s scholarship has established innovative approaches to reconstructing the life of Jesus a Jew whose religious ideology developed and therefore must be understood within the Judaism of the first centuries Following upon Chilton s approaches and insights the essays collected here illustrate the centrality of the literatures of early Judaism to the critical exegesis of the New Testament and other writings of early Christianity *Men & Warfare: Equipping Men In Spiritual Warfare* Stephen Phinney,2012-12-12 The Christian man is engaged in a spiritual battle even if he does not believe that he is Satan and his spiritual forces are on the battle line waiting for you each day A man does not have a choice as to his engagement in this battle it awaits him each day and there is no way getting around it If you are saved and have received Jesus Christ as your Lord and Savior you are in Be alert and sober for your enemy Satan roams around on the earth to seek whom he can devour This study is to equip each man with the spiritual tools necessary to war against the world his flesh and the devil himself This study can be used as a private devotional completing one lesson per day or at a pace that is most comfortable A popular format is in a small group environment finishing one lesson per week This workbook contains many helpful tools to equip leaders in small group ministry
