*Family Legacy and Leadership* Mark Daniell, Sara Hamilton, 2010-11-02 Hamilton and Daniell have creatively taught us how to weave together the threads of lineage that create family legacy. They have also clarified the vision of what family leaders look like: who are the master weavers of such threads. This all leads toward teaching us how to create and guide our families and those we serve to seven and more generations of successful, generative, and flourishing lives as individuals and as family. We owe their work a deep debt of gratitude and a bow of appreciation.

It contains a wealth of ideas, strategy prescriptions, case histories, and anecdotes that will give the family leader and members of the tribe a true guide to building a system that will endure the test of time.
