Irene M. Franck, David M. Brownstone, 1991 An encyclopedia about parenting with over 2 000 entries covering all aspects of child rearing from A to Z **Autonomy-Supportive Parenting** Emily Edlynn, 2023-09-05 As parents we want our children

to take responsibility for their schoolwork their chores and their choices We want them to grow into independent adults but when we see them struggling we sometimes have a tendency to step in and problem solve telling them exactly what to do or even doing things for them ourselves The problem is the more controlling we are with our children the more out of control they feel When our children feel out of control problems big and small follow from more tantrums in thwarted toddlers to a higher risk of drug and alcohol use in adolescence So how do we support our children's autonomy while maintaining boundaries and not losing our minds in the process From clinical psychologist Emily Edlynn PhD comes a flexible parenting framework that can apply to every family and every parental relationship With Autonomy Supportive Parenting you can build trust in your child and trust in yourself *Taking Sides* Brent D. Slife, 2002 The book is a debate style reader designed to

introduce students to controversies in psychology The readings which represent the arguments of leading psychologists and commentators reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework For each issue the editor provides a concise introduction and challenge questions The introduction sets the stage for the debate as it is argued in the yes and no readings and the challenge questions provoke further examinations of the issue By requiring students to analyze opposing viewpoints and reach considered judgments the book actively develops students critical thinking skills P 4 of cover Stanford, 1990 *Raising Competent Teenagers* Dr. Linda Friedland, 2015-01-01 From a gynecologist and menopause researcher of 40 years a guide empowering women with the knowledge to make health decisions around menopause that suit their needs and lifestyle A woman's menopause is part of her aging process the beginning of a journey of personal change and growth However this new stage of life and how to deal with the emotional and physical changes of it does not come with a road map This guide provides some direction and a new understanding of menopause With more than 40 years experience as a gynecological endocrinologist Dr Wren has researched the pros and cons of hormone replacement therapy HRT and presents them here in easy to understand language The book covers the mental physical and emotional effects of menopause and outlines the case for and against HRT and alternative therapies and the choices available to women to treat the symptoms of menopause It seeks to clarify the role of estrogen in maintaining a woman's health explaining that estrogen therapy plays a major role in reduction of disease in a postmenopausal woman as well as increasing her longevity Grandparenting for the Nineties Robert A. Playful Parenting Lawrence J. Cohen, Ph.D., 2008-11-19 Parents have heard that play is a child's work but play is not for kids only As psychologist Lawrence J Cohen Ph D demonstrates in this delightful new book play can be the basis for an innovative and rewarding approach to parenting From eliciting a giggle during baby's first game of peek a boo to cracking jokes with a teenager while hanging out at the mall Playful Parenting is a complete guide to using play to raise strong confident children Have you ever stepped back to watch what really goes on when your children play As Dr Cohen points out play is children's complex and fluid way of exploring the world communicating hard to express feelings getting close to those they care about

working through stressful situations and simply blowing off steam That's why playful parenting is so important and so successful in building strong close bonds between parents and children Through play we join our kids in their world We help them express and understand deep emotions foster connection aid the process of emotional healing and have a great time ourselves while we're at it Anyone can be a playful parent all it takes is a sense of adventure and a willingness to let down your guard and try something new After identifying why it can be hard for adults to play Dr Cohen discusses how to get down on the floor and join children on their own terms He covers games activities and playful interactions that parents can enjoy with children of all ages whether it's gazing deep into a baby's eyes playing chase with a toddler fantasy play with a grade schooler or reducing a totally cool teenager to helpless laughter Playful Parenting also includes illuminating chapters on how to use play to build a child's confidence and self-esteem how to play through sibling rivalry and how play can become a part of loving discipline Written with love and humor brimming with good advice and revealing anecdotes and grounded in the latest research Playful Parenting will make you laugh even as it makes you wise in the ways of being a happy effective enthusiastic parent

The Power of Mother Love Brenda Hunter, 2011-05-04 The Power of Mother Love highlights the incredible although sometimes unrealized influence that a mother has on her children and her society Decades of scientific and psychological study provide overwhelming evidence for the idea that mother love has an enormous permanent impact in shaping the character and life of a child In her compelling new work psychologist Brenda Hunter presents a convincing argument that indicates this love is even more powerful even more far reaching than our culture has yet realized not only for the child but for the mother and society as a whole Affirming the immeasurable value of the mothering role while realistically addressing women's greatest questions and concerns Hunter clearly reveals how mother love positively affects the way a woman defines herself All mothers and all those who care about the lives of women children and the future of our society will be dramatically impacted by this not to be missed book skillfully written to empower women to mother from the heart
