## Love Devotion:

**Becoming Two in Love** Roland J. De Vries, 2013-07-25 This book draws Soren Kierkegaard and Luce Irigaray into conversation on the nature and ethics of sexual difference While these two initially seem like doubtful dialogue partners the conversation between them yields a rich and compelling account of intersubjectivity between man and woman an account that moves beyond the limited and tired debate over egalitarianism vs complementarianism Through engagement with Irigaray and Kierkegaard this book develops a constructive theological ethics of sexual difference that focuses on an epistemological and subjective gap that sets man and woman at a decisive distance from each other They are a mystery to each other Yet it is also an ethical framework that allows woman and man to encounter one another in ways that respect the independence subjectivity and becoming of each Above all this is a theological ethics of sexual difference that centers on Jesus Christ who is defined as the middle term in every relationship and whose love command defines the encounter between man and woman in difference

### **Sex, Love, and Dharma**

Simon Chokoisky,2015-09-17 Discover your dharma type and prepare your body, mind, and spirit to attract and build a lifelong union with your soul mate. Explores how the dharma types align in relationships giving quick and simple insights into which dharma pairings work and which ones need work. Details methods for attracting a mate as well as practical techniques for improving your sex life including the best time to have sex during the day. Provides self tests to determine your dharma type and outlines unique ayurvedic diet, exercise, detox, and lifestyle tips for better health and sex appeal. The people of ancient India understood that most humans are incomplete without an intimate partner, a soul mate to share life's journey. Drawing upon astrology, Ayurveda, and dharma type, your personality and spiritual purpose archetype, they developed detailed systems to analyze physical, emotional, and spiritual compatibility between people. This analysis encouraged joyous relationships by revealing the sexual compatibility of a couple, the innate relationship conflicts they face, and their potential for financial success together. In this way, couples were able to distinguish biological attraction from long-term compatibility, lust from love, and soul mates from playmates. Sharing ancient Vedic secrets of sex, love, health, and dharma, Simon Chokoisky explains how to prepare your mind, body, and spirit for the right partner and how to determine if a potential mate is a good match for your unique chemistry. He provides self tests to determine your dharma type and outlines unique ayurvedic diet, exercise, detox, and lifestyle tips for each type to reclaim your health and vitality, and by doing so, your sexiness. He explores how the dharma types align in relationships to create harmony or disharmony giving quick and simple insights about which dharma pairings work and which ones need work.
