Lyons,2022-01-11 Love a word that is so commonly used but yet so elusive and seldom found or experienced by many people True love accomplished is something that has been worked on constantly It takes total commitment by two people to attain and maintain a loving happy healthy fulfilling relationship To keep the passionate fervent romance that you experienced in the beginning takes a great deal of work The keys that I ve found that work for me are commitment communication trust honesty and a willingness to compromise and to value your spouse And as the old adage goes treat others as you would like to be treated if we would do that to one another many relationships will be able not too only survive but thrive I saw this type of relationship with my mother in law and father in law They were married for seventy two happy and blessed years before the passing of my father

in law It is my relationship with my wife that has inspired me to write this short but direct book We have experienced so far forty two years of a beautiful loving relationship and looking forward to many more God s will Marriage is a beautiful institution established and blessed by God and is honorable in all For more information or to book for speaking engagements and seminars please contact me
