Marriage The Mystery Of Christ And The Church:

Marriage David Engelsma, 1975-09-01 **Marriage and the Mystery of the Gospel** Ray Ortlund, 2016-10-13 This mystery is profound and I am saying that it refers to Christ and the church Ephesians 5 32 Marriage reveals something of eternal significance From the beginning God designed marriage to convey a greater reality the passionate unending redeeming love of God for sinners the eternal romance between Christ and his bride In this volume Ray Ortlund traces marriage throughout Scripture from the first marriage in the garden of Eden to the ultimate marriage in the book of Revelation laying out a transcendent vision of marriage that dignifies our own imperfect unions as a display of the gospel This book offers insight and hope to every married person today Part of the Short Studies in Biblical Theology series

Marriage, the Mystery of Christ and the Church David Engelsma, 1998 Marriage Dietrich Von Hildebrand, 1984 Before we examine the nature the meaning and the beauty of Christian marriage which St Paul calls a great mystery in Christ and the Holy Church we shall examine the essence and meaning of marriage in the realm of nature and its specific character in reference to all other fellowships and communities Only in this way can we understand what was so gloriously exalted by Jesus Christ and thus dispel the misinterpretations of the nature of marriage so frequently encountered Why does Holy Scripture choose this particular relationship as an image It is chosen because marriage is the closest and most intimate of all earthly unions in which more than in any other one person gives himself to another without reserve where the other in his complete personality is the object of love and where mutual love is in a specific way the theme that is to say the core of the relationship *The Letter to the Ephesians* Peter Thomas O'Brien, 1999 From a foremost authority on the New Testament comes a major new commentary on Ephesians a letter of truth love and unity to our superficial world This newest volume in the Pillar New Testament Commentary series provides a rich exposition of Ephesians one of the most significant documents ever written Using the fruits of recent biblical research Peter O'Brien shows how Ephesians sums up God's magnificent plan of salvation in Christ and spells out his divine purpose for believers today A model of the scholarly excellence characteristic of the entire PNTC series which now features a striking new jacket design O'Brien's Ephesians will become the standard work on this profoundly influential book Publisher **The Mystery of Christian Marriage through the Ages** Anna M. Silvas, 2020-05-15 Deep prayer Cleaving to our Lord Jesus Christ Immersion in the Scriptures Baptismal and eucharistic faith in quest of ever deeper understanding Historical unnaivety A theological care for the truth that abides An interest in diagnosing cultural and civilizational shifts Attention to the words and teachings of the Church Fathers Linguistic sensitivity All these operational elements come together in this book which seeks to search out the Nuptial Mystery of the human condition from the beginning when we were first created through the dramatic damage contracted in the Fall as it plays itself out in the struggles of human history towards the beckoning fulfillment of all things in the world that is to come This is not just another book on marriage but an education in a way of theologically seeing the Mystery of Christ written into our human

vocation as male and female called to spousal covenant open to the primacy of God fruitful with a fruitfulness coming from God and leading us to the bridegroom on the cross come to espouse his bride the church Living the Mystery of Marriage Dr. Perry J. Cahall, 2020-02-20 This unique book will assist those called to marriage to live out the wonderful beautiful and challenging mystery of married love by presenting a theology spirituality and morality of marriage in a widely accessible level

The Sexual Person Todd A. Salzman, Michael G. Lawler, 2008-05-21 Two principles capture the essence of the official Catholic position on the morality of sexuality first that any human genital act must occur within the framework of heterosexual marriage second each and every marriage act must remain open to the transmission of life In this comprehensive overview of Catholicism and sexuality theologians Todd A Salzman and Michael G Lawler examine and challenge these principles Remaining firmly within the Catholic tradition they contend that the church is being inconsistent in its teaching by adopting a dynamic historically conscious anthropology and worldview on social ethics and the interpretation of scripture while adopting a static classicist anthropology and worldview on sexual ethics While some documents from Vatican II like *Gaudium et spes* the marital act promotes self giving by which spouses enrich each other gave hope for a renewed understanding of sexuality the church has not carried out the full implications of this approach In short say Salzman and Lawler emphasize relationships not acts and recognize Christianity's historically and culturally conditioned understanding of human sexuality *The Sexual Person* draws historically methodologically and anthropologically from the best of Catholic tradition and provides a context for current theological debates between traditionalists and revisionists regarding marriage cohabitation homosexuality reproductive technologies and what it means to be human This daring and potentially revolutionary book will be sure to provoke constructive dialogue among theologians and between theologians and the

Magisterium **Mystery and Sacrament of Love** Marc Cardinal Ouellet, 2015 An internationally respected Roman Catholic leader on the mystery sacrament of marriage Marriage and the family are at the forefront of the burning questions being debated by civil society and the church today Cultural changes in our increasingly secularized society have dire consequences in the family sphere requiring a Christian response that is faithful to the Church's tradition says Marc Cardinal Ouellet In *Mystery and Sacrament of Love* Ouellet clearly expounds a theology of marriage and the Catholic Church's understanding of the sacrament celebrated between spouses and God Developed with influences from Pope Francis the theological intuitions of Vatican II the contributions of Saint John Paul II the pope of the family and the innovative thought of Hans Urs von Balthasar Ouellet's study lays the foundations for a faithful resurgence of well being for families in our contemporary day and age **The Mystery of Marriage: A Theology of the Body and the Sacrament** Perry J.

Cahall, 2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II's *Theology of the Body* Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our

understanding of this sacrament **Sexual Ethics** Stanley James Grenz,1997-01-01 In this biblically grounded study Stanley Grenz synthesizes theology ethics and current medical research to offer an evangelical perspective on the profound role that sexuality does and should play in our lives today He calls for Christians to live a biblical sexual ethic in the contemporary world at the same calling on the church to recognize that its mandate includes being a reconciling community one that proclaims God s grace to all *Theology of the Body Explained* Christopher West,2003 Christopher West makes John Paul II s theology of the body available for the first time to people at all levels within the Christian community Love sexuality and human flourishing are inseparable Those who doubted this will find West s book a transforming experience and those who have been wounded will find liberation and peace A wonderful education on the meaning of being human Christopher West teaches the theology of the body and sexual ethics at St John Vianney Theological Seminary in Denver He is also visiting faculty member of the John Paul II Institute for Studies on Marriage and Family in Melbourne Australia *The Works of Thomas Goodwin, D.D.* Thomas Goodwin (D.D.),1861 *The Pastor's Book* R. Kent Hughes,2015-10-14 Pastors are tasked with the incredibly demanding job of caring for the spiritual emotional and at times physical needs of their people While seminary is helpful preparation for many of the challenges pastors face there s far more to pastoral ministry than what can be covered in the classroom Designed as a reference guide for nearly every situation a pastor will face this comprehensive book by seasoned pastors Kent Hughes and Doug O Donnell is packed full of biblical wisdom and practical guidance related to the reality of pastoral ministry in the trenches From officiating weddings to conducting funerals to visiting the sick this book will equip pastors and church leaders with the knowledge they need to effectively minister to their flocks both within the walls of the church and beyond **The Works of T. G. [With Preface to Vol. 1. by T. Owen and J. Barron.]** Thomas GOODWIN (D.D.),1861 **The Works of Thomas Goodwin ... With General Preface by John C. Miller ... and Memoir by Robert Halley** Thomas GOODWIN (D.D.),1861 *The Ministry of the Word, Vol. 23, No. 05* Various Authors,2019-05-01 This issue of The Ministry of the Word contains the remaining eight messages given during the fall 2018 term of the full time training in Anaheim California The general subject of this series of messages is The Central Vision There are three aspects of the central vision The first aspect is God as our contents the second aspect is Christ as the mystery of God and the third aspect is the church as the mystery of Christ Christ is the mystery of God the church is the mystery of Christ and Christ and the church are the great mystery **The Mysteries of Christianity** Matthias Joseph Scheeben,2023-03-17 The Mysteries of Christianity is Matthias Joseph Scheeben s youthful magnum opus a logically rigorous and spiritually profound dogmatic theology In its pages he explores the intelligibility of Christianity s supernatural mysteries and their deep connectedness ultimately demonstrating that Christian theology constitutes a science before the court of human reason even as its object transcends human comprehension Scheeben s task is to present a unified view of the whole panorama of revealed truth and he pursues this by considering nine key Christian mysteries the Trinity creation sin the

Incarnation the Eucharist the Church and its sacraments justification eschatological glory and predestination Since the mystery of the Trinity is the root of the supernatural order Scheeben begins here showing that the foundation of the salvific economy lies in the eternal processions of persons in God the begetting of the Son and the spiration of the Spirit being in different ways the cause of the life of grace in the human soul When the Son and the Spirit are sent into the world in the Incarnation and through the bestowal of grace they provide the way for human beings to see God face to face in the beatific vision the end for which God created humans Among the means of return to God Scheeben particularly emphasizes the Eucharist on account of its close connection with the mystery of the Incarnation By placing his treatment of the Eucharist before that of the Church he signals that his is a genuinely Eucharistic ecclesiology centered on the abiding presence of the incarnate divine Son
