famous murals by painter Jos Clemente Orozco **Travel Junkie** Jack Harms, 2011-08 This is not a travel guide nor is it a typical travel book This is a story about a man who overcame personal tragedies to achieve his lifetime ambition to explore the world You won't find stories of a man who climbed mountains or sailed the seas Instead you'll hear about one man's journey who visited over 100 well known foreign countries and cities swam with the sharks in Bora Bora Tahiti and in Grand Cayman explored the underwater world of the Australian Great Barrier Reef walked the Great Wall of China and went on photo safaris in the African wild game parks When he began his traveling adventures the last thing on his mind was writing a book As he progressed through his trips he would entertain his relatives friends and clients with the stories and photos of his more important memories Invariably they would say you ought to write a book And so he did and here it is The book should assist the beginning traveler in deciding where to go how to go and how long to stay and last but not least how to stay safe in a sometimes dangerous world Traveling can be and often is very rewarding But it can also be frustrating expensive and dangerous When traveling to a foreign country it is best to expect the unexpected as your experience will be unlike anything you've experienced before The Travel Junkie also reveals the true character of Jack Harms and his personal life Including his hitchhiking days his attraction to famous entertainers live performances his traumatic experiences being on his own at the age of fourteen in Jackson Hole Wyoming and the deaths of his mother and only two brothers at very young ages Mexico 2002, 2001 Provides information on Mexican history and culture and shares advice on sightseeing shopping and entertainment **Travel Tales of Michael Brein: My Best 100** Michael Brein, Ph.D., 2013-10-03 The best 100 personal travel tales of travel adventurer Dr Michael Brein the world's first and only travel psychologist Through harrowing close calls and hilarious misadventures in some of the world's most exotic cultures Michael Brein examines the in depth psychological netherworld behind travel No one has written a travel book heretofore about the psychology of travel quite like this one This is the expanded full edition of the lite version Travel Tales of Michael Brein My Top 10 Michael Brein is the world's first and only travel psychologist who has created a unique series on the psychology of travel as told through the travel tales of more than 1 600 world travelers and adventurers he has interviewed over the last 30 years My Best 100 the second book in the series is a collection of Michael's 130 own best personal travel tales including close calls and great escapes as well as his zaniest and funniest travel experiences Michael explores his travels revealing a rare in depth psychological look at what happens to you when you travel to exotic strange cultures My Best 100 promises to be one of the most unusual travel books you will ever read It might alternately have been named Confessions of a Travel Psychologist or maybe even Tales of the Last Travel Psychologist since no one has heretofore written about the psychological netherworld of travel as Michael has When you read Michael's collection of his own travel stories you may wonder if all this could possibly happen to one world traveler It certainly did After reading some of his hair raising and hilarious tales you may further wonder if Michael should have been allowed to travel abroad at all and if instead he should have been locked up in a padded cell with the key being thrown away
