Mace, John Grehan, 2013-08-19 At 07 30 hours on 1 July 1916 the devastating cacophony of the Allied artillery fell silent along the front on the Somme The ear splitting explosions were replaced by the shrill sound of hundreds of whistles being blown At that moment tens of thousands of British soldiers climbed out from the trenches on their part of the Western Front and began to make their way steadily towards the German lines opposite It was the first day of the Battle of the Somme By the end of the day a number of the regiments involved had met with some degree of success others had suffered heavy losses for no gain whilst a few quite literally ceased to exist That day the old infantry tactics of the British Army clashed head on with the reality of modern warfare On what is generally accepted as the worst day in the British Armys history there were more than 60 000 casualties a third of them fatal In this publication the authors have drawn together for the first time ever all the War Diary entries for 171 British Regiments that went over the top that day a day that even now still touches so many families both in the United Kingdom and around the world The result will be a vital work of reference to the events of 1 July 1916 a valuable information source for not only for those interested in military history but genealogists and historians alike

Against All Odds Stephen Wynn, 2018-01-30 Walter Tull would have been a remarkable individual no matter when he had been born but to achieve what he did during the time that he did makes him even more remarkable He was an orphan at just six years of age and despite not wanting to his step mother Clara had no choice but to place him and his elder brother Edward in to a children s home in the East End of London As neither Walter or Edward had ever traveled outside of Folkestone before the upheaval must have come as quite a shock Two years after entering the home Walter and Edward were split up when Edward was adopted and went to live in Glasgow Walter s sporting prowess saw him play for top local amateur side Clapton Football club signing for them in 1908 but it was to be a short lived affair as by the following year he had signed as a professional for the prestigious Tottenham Hotspur Football Club making his first team debut against Manchester United In October 1911 Walter was transferred to Northampton Town Football Club where he would go on to play over one hundred first team games before the First World War brought a premature end to his career as a professional footballer With the outbreak of war Walter wasted no time enlisting in the British Army initially as a Private in the newly formed 17th Football Battalion Middlesex Regiment Further promotions followed and in no time at all he had reached the rank of Sergeant He was put forward for a commission and passed out as a 2nd Lieutenant on 29 May 1917 He went on to become the first black officer in the British Army to lead white troops in to battle and was fondly regarded by the men who served under him Walter was killed in action whilst leading his men in a counter attack against German defensive positions on Monday 25 March 1918 He died a hero He was well liked and respected by all who knew him Like many men of his generation his life was cut short for the greater good whilst in the service of his country so that others might prevail **The Die-Hards in the Great War: Vol. 1** Everard Wyrall, 2013-01-21 The Die Hards is the nickname of the Middlesex Regiment earned at the battle of Albuera in the Peninsular War in May 1811 The Regiment was one of five that had four regular
