Purpose & Power In Retirement Harold Koenig, 2008-01-01 Dr Harold G Koenig with expertise in the fields of geriatrics mental health and religion explains that the notion of retirement was in fact a marketing tool developed in the post World War II period Continuing today society's image of retirement is based largely on myths such as things will get better when you retire you'll be able to do everything you wanted to but couldn't when you worked In fact these beliefs can be harmful leading to emotional issues identity crises and problems with physical health

Give. Live. Save. Randy Bowen, 2022-05-23 Give Live Save is a counterintuitive common sense way to look at and win in your finances Winning in your finances is any small financial discipline created that helps you produce forward momentum on your financial journey These disciplines include the first three nonnegotiables in your budget which should also be prioritized in your life These disciplines are needed for you to build a solid foundation for today and will help you build a legacy for tomorrow Start with give because it forces you to live on less than you make softens your heart and makes you a better person You become more outwardly focused and it helps you stop comparing your life to others This will help you clear clutter from your life by consuming less nonessentials and just collecting stuff Next is live Your family is your support system As they are your support system it is your responsibility to

make sure your family has their basic needs covered Make sure your family has food on the table roof over their heads and basic transportation and clothing before you even worry about paying your other bills Taking care of your family will help them see your vision and be all the support you need to help the entire family win financially and build a legacy for future generations You will also be taught the importance of getting out of debt in order to build a solid foundation for your financial future The final one is save Saving is all about protecting your current financial situation by helping you stay on solid ground by saying no to debt You will be taught to use your own money to cover your emergencies fund your lifestyle and plan for your future Prioritizing these three disciplines in your finances will not only help you win financially but these disciplines will translate into many other areas of your life Money Order Gail Shapiro,2001-08-22 Make Your Money Work for You Thirty or forty years ago most women depended on a weekly allowance from their husbands to run the household and care for children Although today's women share the breadwinning with their husbands or support families on their incomes alone their money management skills simply haven't kept pace with their earning power It's time for women to embrace a new paradigm doing away with the notion that control of finances is a man's job Like no other book on personal finance Money Order offers a new model for managing your money one that reflects women's constantly changing money needs and helps you develop real financial savvy and resourcefulness Based on Womankind's grassroots Financial Literacy Project Money Order covers all the basics including how to Establish and maintain good credit Save for your children's college education Manage debt Finance car and home purchases Insure yourself and your property Prepare for retirement But it doesn't stop there Packed with insider tips from women financial experts as well as real life stories exercises and useful charts and graphs Money Order is a comprehensive primer that teaches you to treat your money as your greatest asset not as an endless burden Once you have your day to day financial life on track this book will provide you with new options to save spend and invest your money Money Order encourages you to share your financial knowledge with other women and to make meaningful investments that will effect real economic change in your life and the lives of others **Live Like You're**
