Power Of Your Words:

The Power of Your Words Robert Morris, 2009-08-14 Words carry enormous power the power to heal or to wound to encourage or to dishearten to speak truth or to deceive to praise or to criticize They can be the key to our success or the reason for our downfall So how do we harness that power How do we learn to use our words to their greatest potential Robert Morris shows you how God can bless your life through the words you speak *Change Your Words, Change Your Life* Joyce Meyer, 2012-09-11 1 New York Times bestselling author Joyce Meyer discusses the importance of words in *Change Your Words Change Your Life* Words are a big deal They are containers for power and we have to decide what kind of power we want our words to carry I believe that our words can increase or decrease our level of joy They can affect the answers to our prayers and have a positive or negative effect on our future One might say that our words are a movie screen that reveals what we have been thinking and the attitudes we have Building on the premises of her bestselling books *Power Thoughts* and *Living Beyond Your Feelings* Joyce examines how we use words the vehicles that convey our thoughts and emotions and provides a series of guidelines for cultivating talk that is constructive healthy healing and used for good results Topics include The Impact of Words How to Tame Your Tongue How to be Happy When to talk and when not to talk Speaking Faith and Not Fear The Corrosion of Complaints Do you really have to give your opinion The importance of keeping your word The power of speaking God's word How to have a smart mouth In *A Dictionary of God's Word* at the end of the book Joyce provides dozens of scripture verses arranged by topic and recommends that we read them aloud to strengthen our vocabulary of healing words *Flourish with the Power of Your Words, Prayers, and Works* Joel A., 2010 Akande explains how to best harness the spectacular power that is contained in words Word can be transformed into material form and be dematerialized Word opens and closes any door However people need to know the tactics for using words to achieve wonderful results *The Power of Words* J. Martin, Reverend, 2016-06-04 There is simply no value put on words we can all speak them they don't cost any money as they are free to all they are simply not appreciated Words however are the reason that one person lives a life of abundance while another person lives a life of lack Words can open doorways that hands can not They can break down invisible boundaries A few words can destroy life or breathe new life into a withering one Words can fill a person full of happiness or fill them full of despair Words can build up a person's confidence or take it crashing to the ground As most people do not value their words they misuse them which allows the power of their words to work against them They want to go in one direction but their words push them in another This conflict is what most people battle with each day They ask God to grace their lives with favor health and abundance but their words keep them in a life full of disappointment sickness and lack In this book I want to share with you the correct way to harness the power of your words so instead of holding you back they propel you towards the life that you desire The life that you were destined to live I will draw from personal experience and Scripture to illustrate how positive thoughts and words can be used to overcome every

challenge that stands in your way I will share how important it is to stop the habit of talking idly about your problems and instead focus on speaking about solutions Knowing is not enough we must apply Willing is not enough we must do Johann Wolfgang von Goethe Pick up your copy today by clicking the BUY NOW button at the top of this page **The Prophetic and Healing Power of Your Words** Becky Dvorak,2018-11-20 The Spirit of God is moving the supernatural remnant is rising and the prophetic power of healing on their lips It s time to join the ranks of God s supernatural army and take hold of the Kingdom of God by force **The Power of Your Words** E. W. Kenyon,Don Gossett,1984-01-01 I agree that I have what God says in His Word that I have If you lack anything tend to be your own worst enemy or fail to accomplish what you say you will do then this book will show you how to Have strong faith Live in the positive Possess what you confess There is nothing that equals the power of your words Power of Your Words Devotional E. W. Kenyon,Don Gossett,2021-09-07 Our words carry weight and we must be careful of what we confess The salvation healing and deliverance of the Christian rests upon the confession that we make of Jesus s lordship and our affirmation of the truths in His Word The Power of Your Words Devotional is a sixty day journey into the insightful teachings of E W Kenyon and Don Gossett A corresponding confession is part of each day s entry along with an opportunity for prayer personal reflection application and daily readings from Scripture If you have lacked anything in your life experience are constantly your own worst enemy or fail to accomplish what you say you will do then this book is for you The pages of this text will show you how to strengthen your faith live your life in the positive and learn to possess what you confess The devotional s main themes focus on the infallibility of God s Word confessing God s Word aligning your words with God s Word and living with bold faith Rely on the Holy Spirit to illuminate the Word of God as you engage with this book Begin today living a life powered by words of truth **Life and Power of Words** Conrad L. Defriese,2020-07-14 **Speak Your Future** Andrew Cheaney ,2024-03-03 The first statement I want to make is What You Say is What You Get The scripture reference is Mark 11 23 24 That s exactly what it says Do you see this mountain If you want to move it all you have to do is speak to it and if you believe what you say then you can have it You can have whatever you say These are true words these are scriptural words What you say is what you get It s not like a comedian saying What you see is what you get This is a study on controlling your words Why should you control your words Your words control your life whether you believe it or not We have witnessed this to be true What you say determines your future We believe that God knows the future but how does He know it Because He has spoken of the future He spoke the world into existence and everything else He said This world will pass away but my word will never pass away When considering predestination remember this God is not willing that any should perish Do you wonder if God knows if you will be saved or not I don t know But God said that you should have redemption and you have it if you want it God spoke of the future That s how he knows the future He has also given you the power to shape your own future I know this might sound strange but you actually speak your own future That s why I m training myself to control my words and my future Your words are powerful

Once spoken they become life In this book we ll show you how what you say is what you get Also remember this You cannot go beyond what you allow yourself to think or say Think back and ask yourself What has been happening to me Consider what you ve been saying or thinking all your life You ll realize that you have been speaking your life into existence I haven t provided any evidence yet but in this book we ll show you how it s true We ll provide enough scripture to convince you So now pause and open your mind and spirit to Jesus Christ our Lord Ask the Father to teach you His ways

There is Power in the Tongue: Change Your Words, Fulfill Your Destiny: Dr Olusola Coker,2018-04-18 The tongue is a power part of the body In terms of size that can be seen the size of the tongue is relatively small The weight of tongue in the male is averagely 70 grams while in the female is about 60 grams However the tongue has potential to do great and mighty things It has a deep connection with the human heart That is to say beyond physical anatomy of the tongue there is more about the spiritual effect of the tongue As the spirit world supersede the physical so is the spiritual effect of tongue goes beyond the physical structure of it Yes there is power in the tongue your tongue is so powerful that it can improve or destroy your entire life A lot of people ended their life in the prison yard because of the way they use their tongue despite the fact that they are innocent Many people passed to the great beyond untimely because of the use of the tongue Employment seekers fail interview because of the way they use their tongue The tongue is so powerful that it can destroy a whole nation it can cause war in between two countries According to the book of Ephesians 4 29 Do not let any unwholesome talk come out of your mouths but only what is helpful for building others up according to their needs that it may benefit those who listen The tongue has the capacity to determine what you become and you will not God the Almighty Creator of all things understood the potent weapon called tongue this by placing tongue in a double jail the lips and the teeth The only way the tongue exhibit its potency is through spoken word Have you ever wondered why God kept tongue in such prison I feel it simply because He wants the individual to be responsible for the use of his or her tongue Lest one say I never knew when I said such Therefore every man is responsible for letting the tongue out of the double prisons When you take time to look at the story of creation the world we see and all the beautiful things that are in it were created by the spoken word of the Almighty Hence you will understand the power given to the instrument or tool through which words are spoken As I have stated earlier the tongue is deeply connected to the human heart Your tongue is just a faithful representative of your heart Your tongue is the painter which gives the picture of the state of your heart Where you are and where you will reach in life are both functions of how you use your tongue Have you ever desired to change your status Perhaps you have been wondering how you can get out of that predicament and you are wondering where to start You need not look far start by watching the use of your tongue Your status is as good as the way you use your tongue Of course I admit that it s difficult for a natural man to put in check the use of the tongue This is due to his state of heart Be that as it may if you will ever see any improvement or advancement it is high time you started changing your vocabularies Form negativity to positive words From the story of woes to good news From

murmuring to giving thanks from cursing to blessing Though many people through ignorance carelessly use this lethal weapon and thereby limit themselves and destiny of people around them This book seeks to reveal to you the potency force behind the use of tongue as well as how you can begin to use this faithful servant to create the world you desire *The Power of Aligning Your Words to God's Will* Hakeem Collins,2022-02-08 You have the authority to speak words that move mountains and make hell tremble We all face obstacles or what seem to be dead ends But God has given every follower of Christ the power to overcome through vocalizing His Word From respected prophetic voice Hakeem Collins comes a biblical guide about the believer s authority to activate the will of God If you are looking to refresh your prayer life this book will help you unite your heart with God s will and speak His truth into the divine dreams and destiny for your life In this profound resource you will gain wise strategic direction to bring your words into alignment with God s will decree God s plan for miracles favor deliverance and divine opportunities contend for breakthrough using the weapon of God s Word break curses and invisible resistance to healing restoration and blessings cooperate with the Holy Spirit to see heaven s purpose manifested on earth You can experience sudden supernatural breakthrough by agreeing with and announcing God s Word by faith Because we are so close to the return of Messiah God s words on your lips will orchestrate the angels to overcome all obstacles in your life Must read Must do Sid Roth host It s Supernatural Speak the Word Edwin Kim,2015-04-10 Words are a big deal Words have the power to create life or death They contain creative power and can increase or decrease the level of our happiness They can affect the answers to our prayers and have a positive or negative effect on our future Whenever we speak life we give life to what we are saying People to need to realize that when they speak life and success they will be prophesying into their future The Bible says Death and life are in the power of the tongue That shows that we will get exactly what we ve been saying with our words The key is to send our words out in the direction you want your life to go You cannot talk defeat and expect victory You cannot talk sickness if you expect health You will have what you say If you want to know what your life looks like in the future just listen to what is coming out of your mouth With our words we can either bring death to our future or life into our future From his bestselling book Step Into Your Supernatural Destiny Edwin examines how we can use words and provides a series of guidelines for cultivating talk that is constructive healthy healing and used for good results Life or Death is in the Tongue Speak To Your Mountains Speaking is Faith in Action Speaking Brings Good Much much more We can say that our words are like a movie screen that reveals what we have been thinking and the attitudes we have Edwin has written this book Speak The Word so that you can be blessed with the words you are speaking His hope is that you will make an impact in every area of your life to speak positive encouraging life filled words As you speak God s Word God s abundance will come into your life **WATCH YOUR WORDS** Carol Crockett,2023-03-29 There is power in your words Our words have great and destructive power They truly have potency of a dynamite they can hurt heal or hinder us and others We must know what the scriptures us that our words have life or death potentials But we

Your Words Hold a Miracle Joel Osteen,2012-05-08 At some point in every person s life we will need a miracle from God It may be for us a family member or a troubled child It might be a mountain of family or financial trouble or some unseen force that fills us with fear The late John Osteen has good news for us We can have a miracle from God for God is a miracle worker And He has recorded many of His miracles in His Word the Bible Rather than running around searching for needed miracles Osteen shows us how to put the power of God s Word into daily practice When we agree with believe in and confess the Word of God miracles reveal themselves The Weight of Your Words Joseph M. Stowell,1998-03-09 Sticks and stones will break my bones but names will never hurt me This lie has been taught to children for years We claim it strengthens them Allows them to let the harsh words of other children roll off their backs But the truth is that words have power Power to encourage Power to heal But also power to intimidate power to scourge and power to wound How are you using the power of words What we say has both spiritual and physical implications Revelation 21 8 tells us that liars have their place in the Lake of Fire And we all have seen the devastation wreaked by rumors on innocent reputations Yet with the same intensity kind words can soothe a broken spirit and restore shattered relationships Your words also say a lot about you Jesus said For out of the overflow of the heart the mouth speaks Matthew 12 34 If our hearts are not in tune with God neither will be our words In The Weight of Your Words Joseph Stowell shares the truth about the tongue straight from the Bible God s Word to His people He challenges us to not allow our mouths to be controlled by our anger or our circumstances but rather to be controlled by the Holy Spirit and His work in our lives Take inventory of your words and your heart attitude with Joseph Stowell in The Weight of Your Words *Why Me Lord?* Reginald D. Alexander, It s hard not to feel overwhelmed when you re going through a protracted illness The feelings in suffering can lead you to ask Why Lord am I going through this crisis that has me battling low self esteem due to my debilitating disease Why am I wrestling with loneliness It seems no one cares Why am I

The Power Of Your Words Samson Ajilore,2016-11-10 What you say with your mouth determines whether you will live or die The Hebrew word for mouth is peh and the Greek word is stoma They both mean the pointed edge of a sharp object a weapon like a dagger or sword Your word is potent and creative like God s Word Confession is very powerful As a matter of fact what you confess will determine what you experience If you are so negative in your confession you will have negative experiences because you will attract whatever you confess Your words will either multiply life for you or activate death against you People die because of what is said Spoken words have also been the reason why some people are still alive This book will teach you how to control your tongue and channel it rightly [DIVINE CREATIVITY: WORDS Power In Creation A Road Map To Unlimited Greatness](#) EMMANUEL OKAFOR,2025-10-04 Words are the most powerful force in the universe an understanding of how it works makes you unbeatable in the battles of life Through some research I discovered that the worlds were framed by the words of the Architect of the universe the Almighty God The first man Adam formed by God the

Creator has diverse divine abilities inside him right from the day he was formed on the earth For this reason the ability to speak and cause things to come into existence or to bring changes into situations via the spoken word is divinely inborn in every human being In the beginning of life on the earth everything that was created came as a result of the words spoken and things came to be through the declarations of God The earth was seen in a chaotic condition without form and an empty waste and darkness was upon the face of the very deep Meanwhile God through His word began to shape the earth to what it is today As a result of this man as God s representative on the earth has the capacity to create through the same manner This great uniqueness we have in God has been specified in the bible verse below I said you are gods since you judge on my behalf as my representatives indeed all of you are children of the Most High Psalms 82 6 AMP Consequently with this information in view the time to take full advantage of this truth is here with us To reframe our lives and our world to what it s originally made to be before the fall of the first man Adam In this book we shall be looking at some discoveries that have been made in history and in present times These facts will enable us have a good understanding on how to put to work the divine ability deposited in man King Solomon was the wisest and wealthiest man that ever lived beside Jesus Christ And to a large extent he unfolded the potential available in the tongue as stated below Life and death are the power of the tongue and those that love it shall eat the fruit thereof Probers 20 1 From what is described by the scripture above it may possibly interest you to know that some of the events in and around your life are relatively the outcome of words you or someone deliberately or unconsciously said in the time past Words make either positive or negative impacts in our lives whether we know it believe it or otherwise It has been said that ignorance is not an excuse As you read this book God will open both your spiritual and physical senses in other to know and value the mystery of words as in how it affects your life and destiny To know also how to use words to create results in any given situation or condition both in your life and the lives of people that you will certainly meet in your life time More importantly given to the dynamism of the human race the need for us to be knowledgeable on when and how to direct the words that come out of the mouth is most essential All the information and revelations in the pages of this book are printed to keep you safe and successful throughout your life journey Study believe and be obedient then you shall eat the good of the land Shalom EMMANUEL OKAFOR
